*Common General Education Courses – This list is subjective based on the credit hours that students bring with their AAS degree + excess credit (which is common).
**Students will need to work with the advisor to ensure that they are completing all coursework necessary for graduation.

Disclaimer: The OSUIT plan of study provides a general guide of courses for a given major. It does not constitute a legal contract between OSUIT and other persons or entities. Although every effort is made to ensure this document is current, students are encouraged to seek information specific to their own situation by referring to the official OSUIT Academic Catalog and visiting with a Student Success & Career Advisor. Determinations regarding transfer credits, prior learning credit, and the like will be reviewed on a case-by-case basis.
