

INSTITUTE OF TECHNOLOGY

Alumni Survey Report

January 2021

Oklahoma State University Institute of Technology
Okmulgee, Oklahoma

Office of Institutional Research

Executive Summary

The Alumni Survey is a tool used to check-in on graduates approximately one year after graduation to determine the positive placement rate and “success” of these graduates by program. This survey also provides an opportunity to update contact information and helps maintain the lines of communication between Oklahoma State University Institute of Technology (OSUIT) and those who can support the institution in a number of ways. This 2021 alumni cohort consists of students who graduated during the 2019-2020 academic year (summer 2019 through spring 2020) resulting in a range of respondents who were anywhere from eight to 16 months post-graduation. The OSUIT Office of Institutional Research administered the Alumni Survey entirely online.

Of the 670 alumni who graduated during the 2019-2020 academic year, 629 had viable email addresses and were invited to participate in this survey; 54 responded to the survey for a response rate of 8.6 percent, up from 6.5 percent the previous year. Note that the number of participants affects the statistical power of the results; low numbers of participants result in less confidence that the reported outcomes generalize to the population as a whole. Thus, the results from the current administration of the Alumni Survey may exaggerate, unpredictably, the views of the alumni cohort in the present sample. Please use caution when interpreting the results contained within this report.

Less than half (25, 46.3%) of respondents were female, 29 (53.7%) were male, and 77.8 percent of alumni reported in-state addresses. The largest number of respondents graduated from the School of Arts, Sciences & Health (20, 37.0%) followed by the School of Engineering & Construction Technologies (17, 31.5%) and the School of Creative & Information Technologies (15, 27.8%). Overall positive placement of 81.5 percent included 39 (72.2%) respondents who reported employment in-field; five (9.3%) were employed in a field not related to their degree. Five (9.3%) alumni reported continuing their education, and three (5.6%) alumni reported seeking employment.

Among the 44 alumni reporting employment, 37 (81.5%) reported full-time employment. None of the respondents reported military service as employment. Thirty (55.6%) employed alumni reported having a job lined up before graduating; cumulatively, 39 (72.2%) reported gaining employment within 6 months of graduation (3, 5.6% took over six months to find employment). Of the 43 respondents reporting salary data, 18 (33.3%) reported earnings in excess of \$60,000 per year. Alumni reported salary data with a median pay range of \$55,000-\$59,999.

Previous alumni survey rating scales included a neutral category in a five-point Likert-type format; this year, the scales were adjusted to a forced-choice four-point format by removing the neutral category. Alumni expressed the highest levels of satisfaction (either 3= Satisfied or 4= Very Satisfied) in the following areas:

- Instructors' knowledge of subject area (90.7%)
- Instructors' willingness to help me meet educational goals (88.9%)
- Instructors' willingness to help me meet career goals (87.0%)
- Analytical skills (85.2%)
- Problem-solving skills (85.2%)

Alumni expressed lowest satisfaction (same scale as above; either 3= Satisfied or 4= Very Satisfied) in the following areas:

- Student club/organization associated with my program (66.7%)
- Opportunities for off-campus practical experience in my chosen career field (72.2%)
- Quality of on-campus applied learning & practical experiences (72.2%)
- Availability of technology similar to what is used in the field (74.1%)
- Leadership skills (74.1%, up from 60.5% last year; this represents largest *increase* in work-related skills satisfaction for 2021)

Alumni reported highest levels of agreement (either 3=Agree or 4=Strongly Agree) regarding the following statements:

- OSUIT helped me achieve my educational goals (85.2%)
- Overall, I am satisfied with my education from OSUIT (79.6%)
- I would choose to attend OSUIT again (79.6%)
- OSUIT provided opportunities for relevant field experience in my career field (79.6%)

Alumni reported lowest levels of agreement (either 3=Agree or 4=Strongly Agree) regarding the statement “OSUIT helped me develop contacts with industry professionals” (68.5%).

Five-Year Comparison

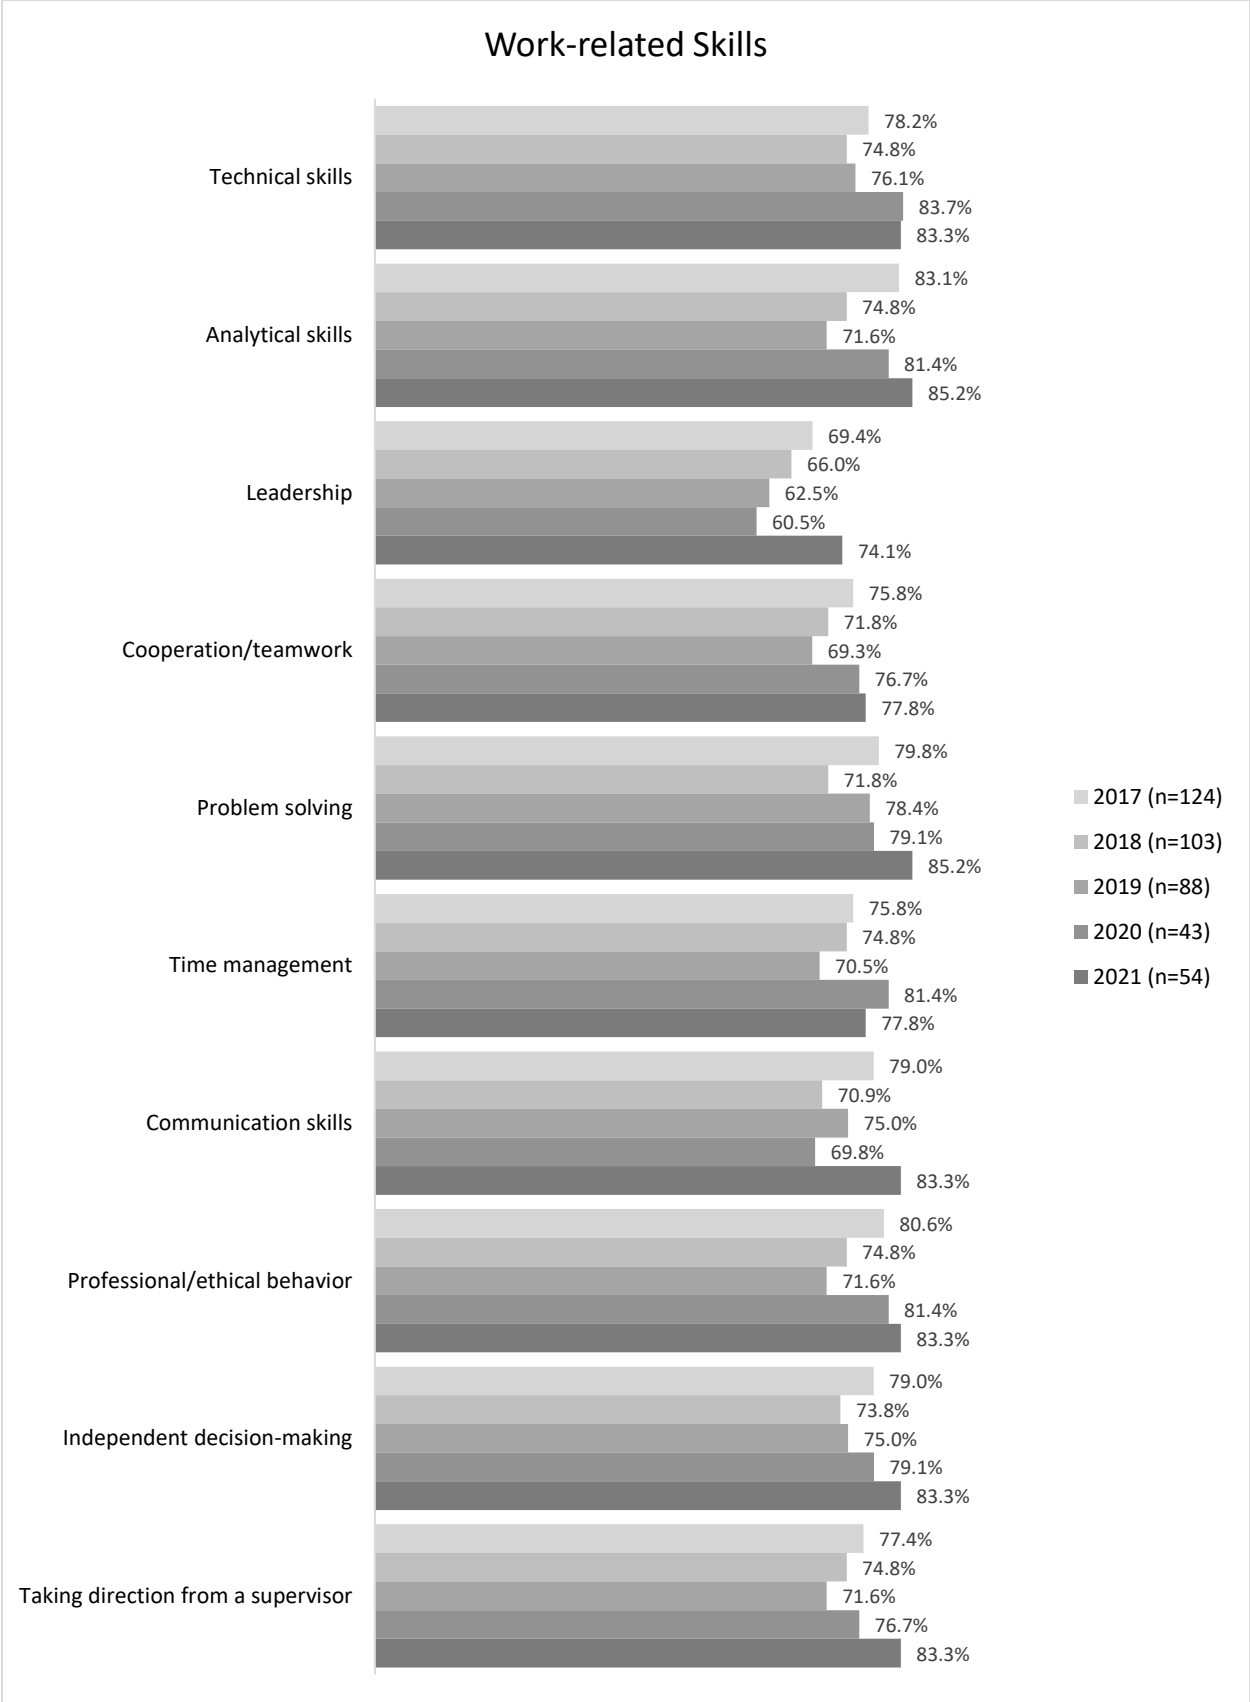

The results for 2021 show increased satisfaction for most items in the area of Work-related Skills with substantial increases in satisfaction with the development of *communication, leadership, and problem-solving* skills. Alumni also reported generally higher satisfaction with their educational experiences at OSUIT and particularly for *instructors' knowledge of their subject areas* and *willingness to help students meet their educational goals*. Alumni were also generally satisfied with experiences that led to the attainment of educational goals in preparation for employment; however, alumni were less satisfied with OSUIT in terms of gaining *the proper skills needed for my chosen career*. The survey ended with three summary items that provide an overall picture of alumni attitudes toward OSUIT; on these, alumni appeared more reserved about *recommending OSUIT to family and friends* and less *satisfied with my education from OSUIT* compared to results from the previous year.

Following is a five-year summary of the rates of positive responses (ratings of 3 or 4—*satisfied/very satisfied or agree/strongly agree*-- on a four-point scale) for each scale and scale item on the alumni survey. *Note:* When interpreting these results, remember that some areas of focus are less important or may not apply to alumni from non-technical programs or without internship experiences. In such cases, these may result in fewer responses or lower percentages of positive scores (ex., off-campus field experience or taking direction from a supervisor), particularly if the alumni continued their education and had not yet entered the workforce. Also, changes this year in the response scales from five-point to four-point, with the removal of the “neutral” response, result in a forced-choice to clarify the direction of responses.

Work-related Skills: Cumulative percent of positive responses* ("Satisfied" or "Very Satisfied")

Work-related Skills	2017 (n=124)	2018 (n=103)	2019 (n=88)	2020 (n=43)	2021 (n=54)
Technical skills	78.2%	74.8%	76.1%	83.7%	83.3%
Analytical skills	83.1%	74.8%	71.6%	81.4%	85.2%
Leadership	69.4%	66.0%	62.5%	60.5%	74.1%
Cooperation/teamwork	75.8%	71.8%	69.3%	76.7%	77.8%
Problem solving	79.8%	71.8%	78.4%	79.1%	85.2%
Time management	75.8%	74.8%	70.5%	81.4%	77.8%
Communication skills	79.0%	70.9%	75.0%	69.8%	83.3%
Professional/ethical behavior	80.6%	74.8%	71.6%	81.4%	83.3%
Independent decision-making	79.0%	73.8%	75.0%	79.1%	83.3%
Taking direction from a supervisor	77.4%	74.8%	71.6%	76.7%	83.3%

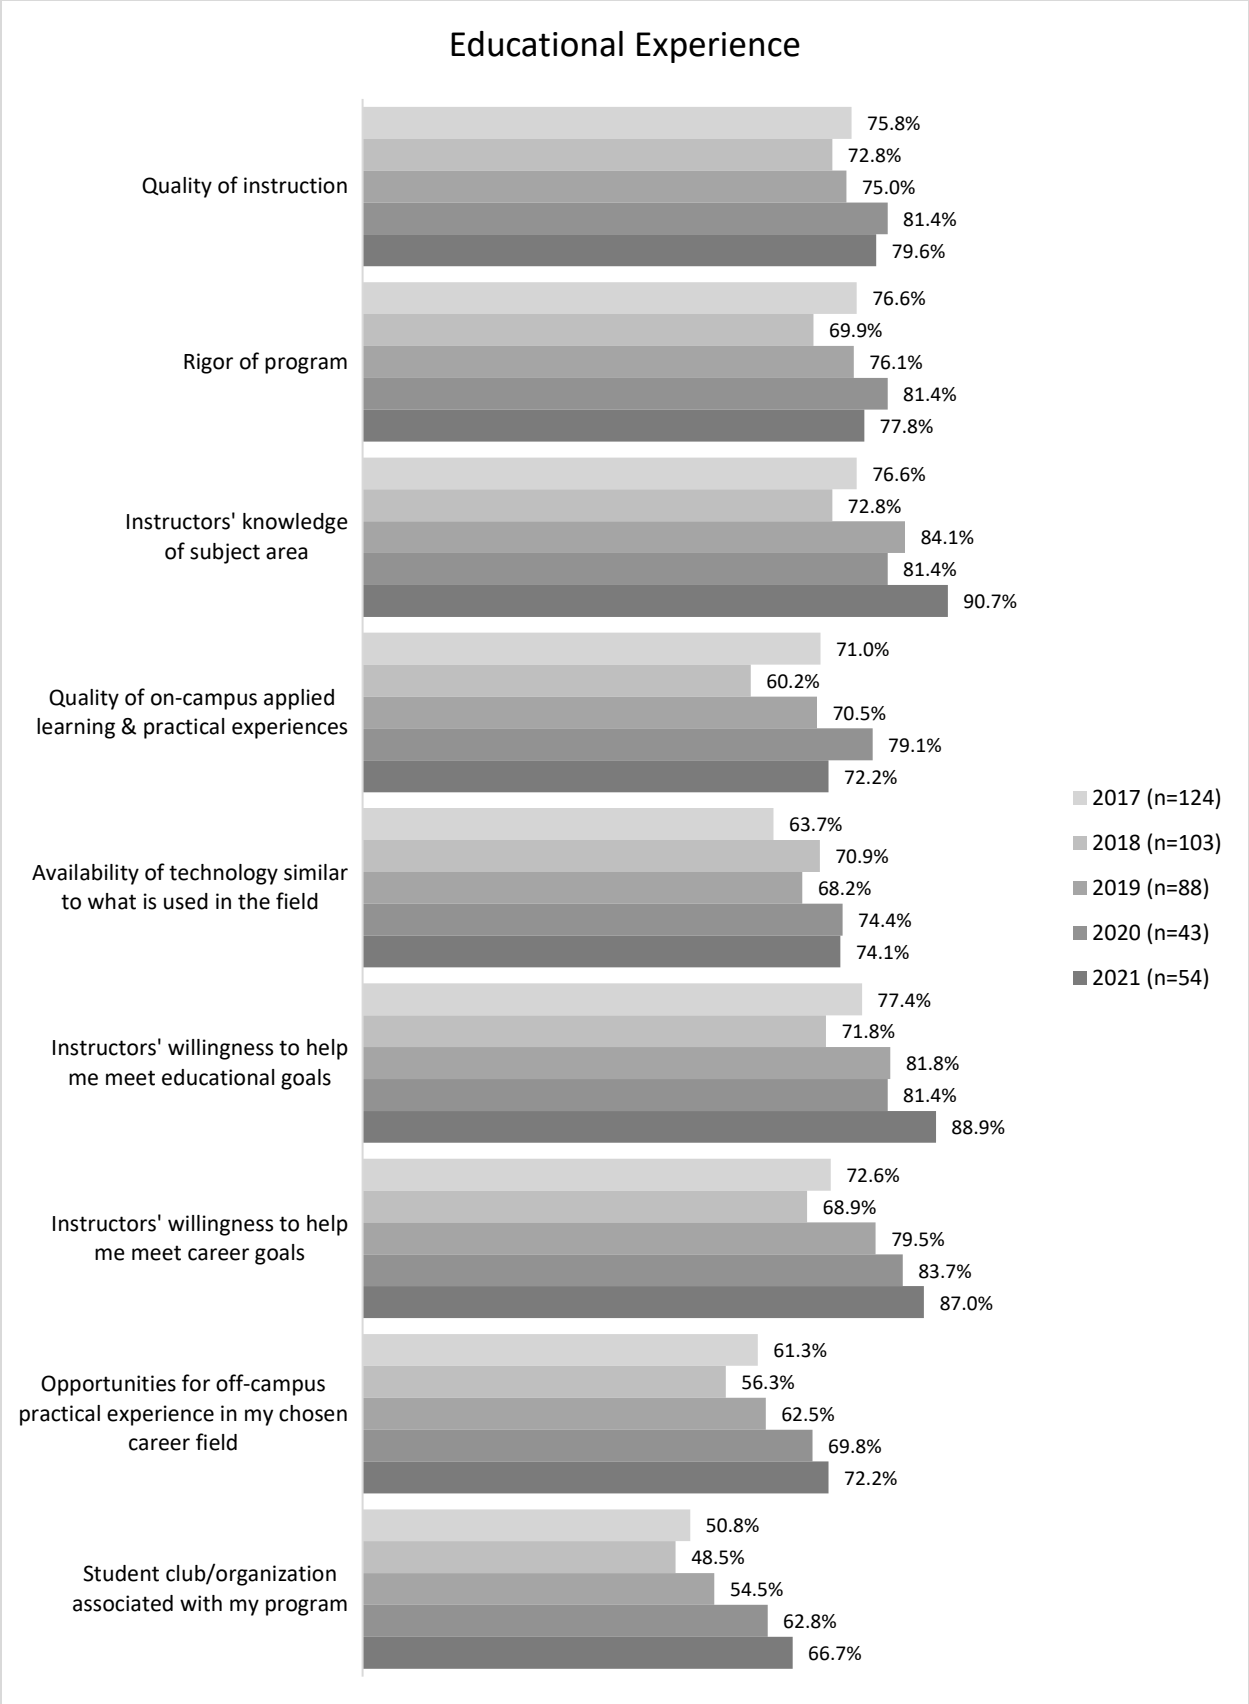

*Note: "Neutral" was removed from response scale in 2021 resulting in either positive or negative forced choice.

Educational Experience: Cumulative percentage of positive responses* ("Satisfied" or "Very Satisfied")

Educational Experience	2017 (n=124)	2018 (n=103)	2019 (n=88)	2020 (n=43)	2021 (n=54)
Quality of instruction	75.8%	72.8%	75.0%	81.4%	79.6%
Rigor of program	76.6%	69.9%	76.1%	81.4%	77.8%
Instructors' knowledge of subject area	76.6%	72.8%	84.1%	81.4%	90.7%
Quality of on-campus applied learning & practical experiences	71.0%	60.2%	70.5%	79.1%	72.2%
Availability of technology similar to what is used in the field	63.7%	70.9%	68.2%	74.4%	74.1%
Instructors' willingness to help me meet educational goals	77.4%	71.8%	81.8%	81.4%	88.9%
Instructors' willingness to help me meet career goals	72.6%	68.9%	79.5%	83.7%	87.0%
Opportunities for off-campus practical experience in my chosen career field	61.3%	56.3%	62.5%	69.8%	72.2%
Student club/organization associated with my program	50.8%	48.5%	54.5%	62.8%	66.7%

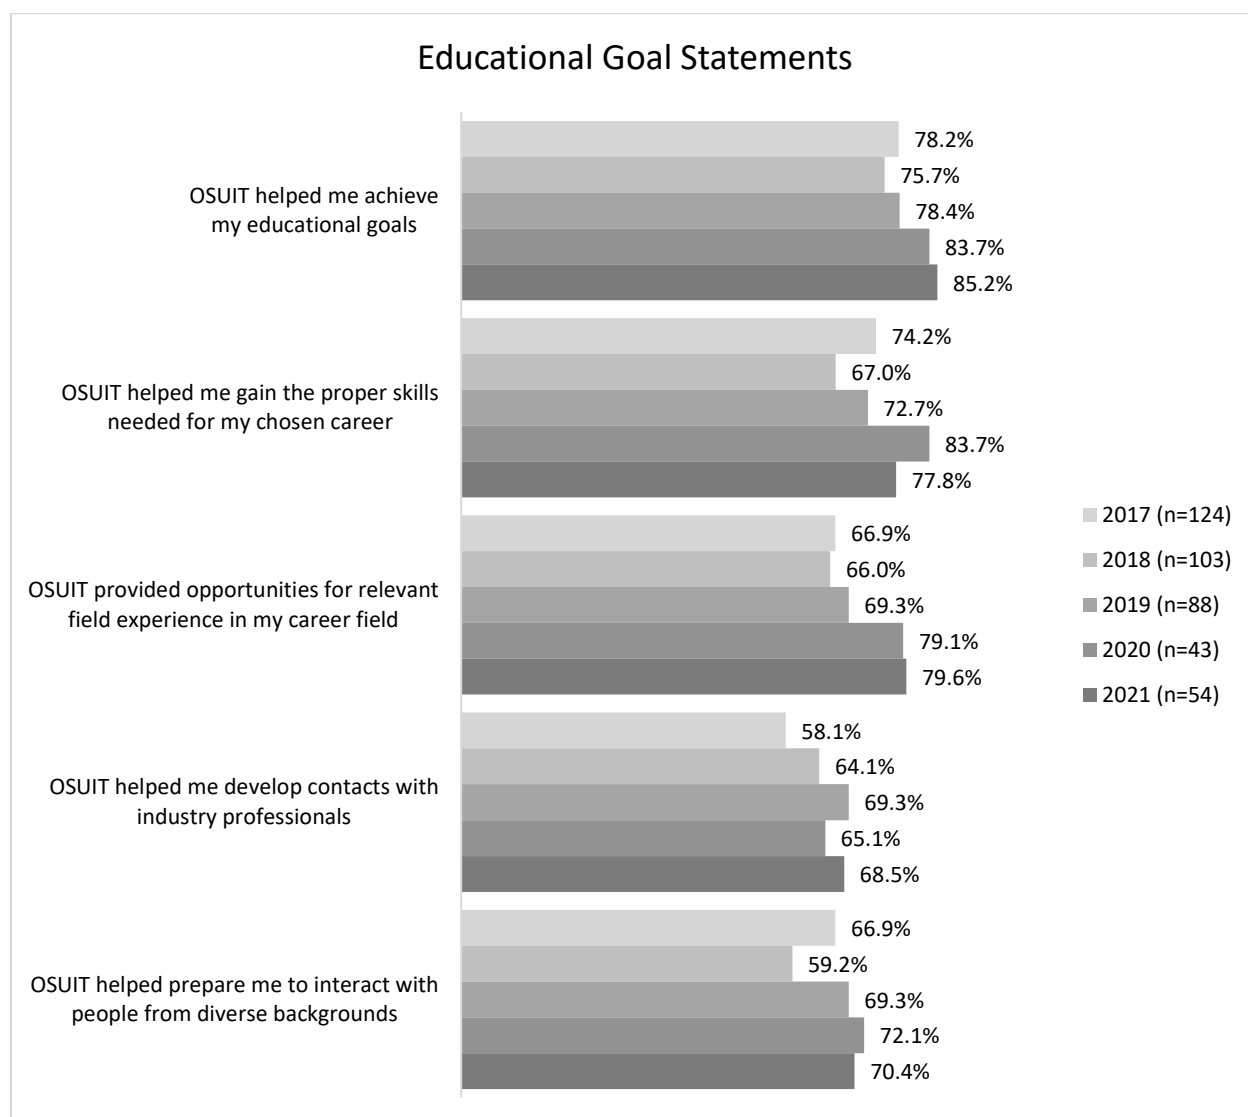

*Note: "Neutral" was removed from response scale in 2021 resulting in either positive or negative forced choice.

Educational Goals: Cumulative percentage of positive responses* ("Agree" or "Strongly Agree")

Educational Goal Statements	2017 (n=124)	2018 (n=103)	2019 (n=88)	2020 (n=43)	2021 (n=54)
OSUIT helped me achieve my educational goals	78.2%	75.7%	78.4%	83.7%	85.2%
OSUIT helped me gain the proper skills needed for my chosen career	74.2%	67.0%	72.7%	83.7%	77.8%
OSUIT provided opportunities for relevant field experience in my career field	66.9%	66.0%	69.3%	79.1%	79.6%
OSUIT helped me develop contacts with industry professionals	58.1%	64.1%	69.3%	65.1%	68.5%
OSUIT helped prepare me to interact with people from diverse backgrounds	66.9%	59.2%	69.3%	72.1%	70.4%

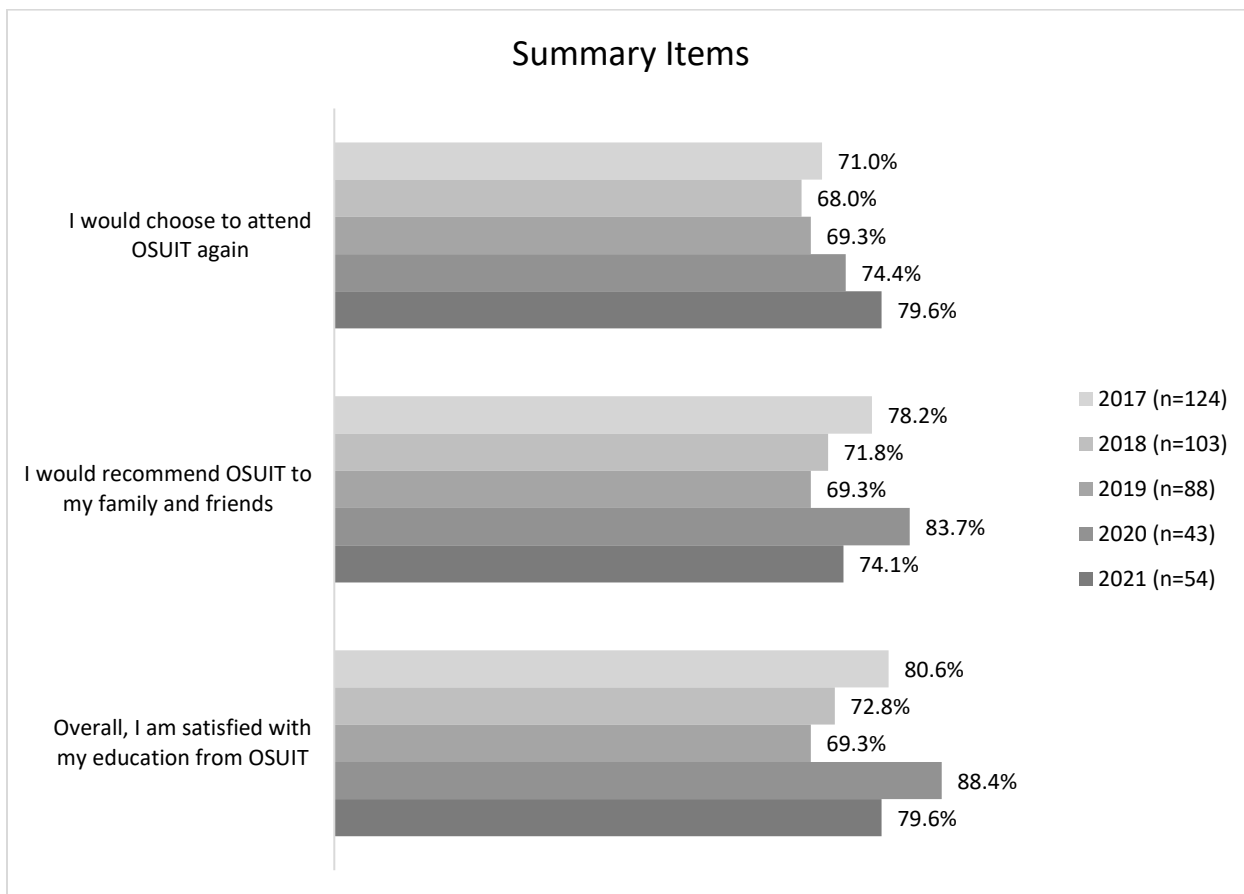

*Note: "Neutral" was removed from response scale in 2021 resulting in either positive or negative forced choice.

Summary Items: Cumulative percentage of positive responses* ("Agree" or "Strongly Agree")

Summary Items	2017 (n=124)	2018 (n=103)	2019 (n=88)	2020 (n=43)	2021 (n=54)
I would choose to attend OSUIT again	71.0%	68.0%	69.3%	74.4%	79.6%
I would recommend OSUIT to my family and friends	78.2%	71.8%	69.3%	83.7%	74.1%
Overall, I am satisfied with my education from OSUIT	80.6%	72.8%	69.3%	88.4%	79.6%

*Note: "Neutral" was removed from response scale in 2021 resulting in either positive or negative forced choice.

The remainder of the report contains tables showing the frequency of responses, including abstentions or "blanks", for the survey. When appropriate, tabled results include a tally of "not applicable" responses. Also included in Appendix B is a draft copy of the Alumni Survey.

Mark as shown: Please use a ball-point pen or a thin felt tip. This form will be processed automatically.
 Correction: Please follow the examples shown on the left hand side to help optimize the reading results.

Your feedback helps shape the future of education at OSU Institute of Technology. OSUIT evaluates our ability to provide a quality education through the outcomes of our graduates. Please update you contact information, placement (what currently occupies your time), and let us know how OSUIT served your educational needs. This information helps us maintain accreditation and accountability. Estimated time to complete this survey is six (6) minutes.

Privacy Statement: Please note that your responses are confidential. No personally identifiable information will be reported, but administrators review open-ended responses for feedback. Be careful to avoid making comments that could reveal your identity. You may choose to end your participation at any time.

Questions or concerns? Contact Curtis Miller, OSUIT Institutional Research, at (918) 293-5498 or curtis.miller@okstate.edu.

Please update your contact information.
