Okmulgee, Oklahoma  
Office of Institutional Research

---

## GRADUATION SURVEY REPORT 2021-2022

This report focuses on results from students graduating during academic year 2021-2022 (summer semester 2021 through spring semester 2022). The Graduation Survey is a self-report instrument for graduating students to update their forwarding contact information before they leave Oklahoma State University Institute of Technology. Once graduating students complete the contact and placement information, the survey continues with scales for rating satisfaction with academic and non-academic services and giving graduates the opportunity to provide feedback on their educational experiences. Administrators of each academic school receive contact information and placement data, while satisfaction scale ratings remain in the Office of Institutional Research for analysis, aggregation, and inclusion in the current report.

### Notes on Appendices

- Appendix A reports placement rates by academic school.
- Appendix B reports salary ranges by school.
- Appendix C reports comparisons of overall scale averages for each school over the last five years; tables for academic years 2019-2020 and 2020-2021 reflect the academic realignment that took place in summer 2019.
- Appendix D reports side-by-side comparisons by school on each scale overall.
- Appendices E-I provide the response detail for each scale, broken out by item, for each school.
- Appendix J provides a downloaded version of the online survey instrument, including survey flow and display logic, for reference.

The administrative assistants and program support strategists in each academic school remind graduating students to complete the Graduation Survey prior to graduation. The OSUIT Office of Institutional Research prefers administration during the last two weeks of school. Because of OSUIT's graduation schedule, administration of the Graduation Survey occurs continuously throughout the year as students prepare to graduate.

## Degree Completion Data

A total of 660 students earned 684 degrees (see tables 1 and 2) between summer 2021 and spring 2022; of these, 636 graduated with one degree and 24 graduated with two degrees. The Office of Institutional Research received 299 survey submissions, but 32 students who completed a survey did not complete graduation requirements and those responses were excluded from this report. With 266 viable surveys there was a 40.30% percent response rate. This is a decrease of 2.45% from the 2021 Graduation Survey response rate. It is important to note that when graduates fail to report their employment data, employment rates as reported in the annual *OSUIT Employment Report* are impacted.

**Table 1: Degrees conferred by academic school.**

| School                                  | Summer 2021 | Fall 2021  | Spring 2022 | Degrees Conferred | Surveys Completed | Completed Percent |
|---|-------------|------------|-------------|-------------------|-------------------|-------------------|
| Arts, Sciences & Health                 | 60          | 117        | 122         | 299               | 84                | 28.09%            |
| Creative & Information Technologies     | 42          | 58         | 46          | 146               | 21                | 14.09%            |
| Engineering & Construction Technologies | 128         | 34         | 96          | 258               | 114               | 44.18%            |
| Transportation & Heavy Equipment        | 60          | 4          | 14          | 78                | 49                | 62.82%            |
| <b>Total</b>                            | <b>290</b>  | <b>213</b> | <b>278</b>  | <b>781</b>        | <b>268*</b>       | <b>34.31%</b>     |

**\*Note:** Two graduates completed degrees in two schools and completed one survey for both, resulting in a higher number of surveys by school. However, the actual number of submitted surveys is 266.

**Table 2: Degrees conferred by degree type.**

| Degree                       | Summer 2021 | Fall 2021  | Spring 2022 | Conferred Total |
|------------------------------|-------------|------------|-------------|-----------------|
| Associate in Applied Science | 207         | 118        | 185         | 510             |
| Associate in Science         | 34          | 51         | 65          | 150             |
| Bachelor of Technology       | 49          | 44         | 28          | 121             |
| <b>Total</b>                 | <b>290</b>  | <b>213</b> | <b>278</b>  | <b>781</b>      |

## Placement

Of the 266 students who filled out the Graduation Survey, all provided placement data. 71.06% reported they were already employed in some capacity. 16.16% were continuing their education at OSUIT or another institution. 3.01% were *not* seeking employment (Figure 1). When asked to explain why they were not seeking employment, 5 stated they were already employed or continuing their education and 1 stated they were looking at jobs outside the state of Oklahoma.

**Figure 1: Placement**

| Placement  | Count      | Percent        |
|--|------------|----------------|
| I am continuing my education at OSUIT                                | 24         | 9.02%          |
| I am currently seeking employment                                    | 26         | 9.77%          |
| I am not seeking employment at this time (please explain):           | 8          | 3.01%          |
| I am self-employed in my field of study                              | 2          | 0.75%          |
| I am self-employed, but in an unrelated field                        | 1          | 0.38%          |
| I am transferring to another college or university                   | 19         | 7.14%          |
| I am or will be serving full-time in the military                    | 0          | 0.00%          |
| I have accepted a job or am currently employed in an unrelated field | 8          | 3.01%          |
| I have accepted a job or am currently employed in my field of study  | 178        | 66.92%         |
| <b>Grand Total</b>   | <b>266</b> | <b>100.00%</b> |

When placement data reported by our graduating students was disaggregated by highest degree earned (see Figure 2), BT degree earners had the *highest rate of employment* and the highest rate of seeking

employment. AAS also had a very high rate of employment and had the *lowest rate of seeking employment*. Over half of the students graduating with an AS degree, as expected, plan to continue their education at another institution. Please note that the Graduation Survey is typically completed in the student's last semester at OSUIT when they may not yet have a firm job offer.

**Figure 2: Placement by highest degree earned**

| Category   | AAS Count  | AAS Percent    | AS Count  | AS Percent     | BT Count  | BT Percent     |
|--|------------|----------------|-----------|----------------|-----------|----------------|
| I am continuing my education at OSUIT                                | 20         | 10.64%         | 4         | 12.12%         | 0         | 0.00%          |
| I am currently seeking employment                                    | 16         | 8.51%          | 4         | 12.12%         | 6         | 13.33%         |
| I am not seeking employment at this time (please explain):           | 4          | 2.13%          | 3         | 9.09%          | 1         | 2.22%          |
| I am self-employed in my field of study                              | 2          | 1.06%          | 0         | 0.00%          | 0         | 0.00%          |
| I am self-employed, but in an unrelated field                        | 1          | 0.53%          | 0         | 0.00%          | 0         | 0.00%          |
| I am transferring to another college or university                   | 1          | 0.53%          | 17        | 51.52%         | 1         | 2.22%          |
| I have accepted a job or am currently employed in an unrelated field | 2          | 1.06%          | 1         | 3.03%          | 5         | 11.11%         |
| I have accepted a job or am currently employed in my field of study  | 142        | 75.53%         | 4         | 12.12%         | 32        | 71.11%         |

| <b>Total</b>   | <b>188</b> | <b>100.00%</b> | <b>33</b> | <b>100.00%</b> | <b>45</b> | <b>100.00%</b> |

### Salary Data

Salary data for graduates reporting starting pay is listed in Figure 3 (see Appendix B for salary ranges). Although reported pay ranges indicate that some graduates were likely responding as part-time employees, the median pay range for 2021-2022 respondents between \$45,000 and \$49,999. Only three respondents, 1.13% recognized as below the poverty line. Twenty-one students, 7.89% reported making at or above the real US median household income for 2021.

In the process of completing the Graduation Survey, students who report placement in one of the *employment* categories sometimes leave the employment details blank. In the past, respondents have cited employment requirements-- such as signing a non-disclosure agreement-- as the reason. However, direction by the US Department of Labor, The US Department of Education, the North Central Association of the Higher Learning Commission, and the Oklahoma State Regents for Higher Education requires higher education institutions to report employment

**Figure 3: Graduates reporting starting pay**

Percentages represent the ratio of responses to the number of respondents reporting salary data.

| Salary              | Count | Percent |
|---------------------|-------|---------|
| \$100,000 or more   | 8     | 3.01%   |
| \$95,000-\$99,999   | 2     | 0.75%   |
| \$90,000-\$94,999   | 1     | 0.38%   |
| \$85,000-\$89,999   | 1     | 0.38%   |
| \$80,000-\$84,999   | 2     | 0.75%   |
| \$75,000-\$79,999   | 2     | 0.75%   |
| \$70,000-\$74,999** | 5     | 1.88%   |
| \$65,000-\$69,999   | 5     | 1.88%   |
| \$60,000-\$64,999   | 16    | 6.02%   |
| \$55,000-\$59,999   | 10    | 3.76%   |
| \$50,000-\$54,999   | 13    | 4.89%   |
| \$45,000-\$49,999   | 14    | 5.26%   |
| \$40,000-\$44,999   | 10    | 3.76%   |
| \$35,000-\$39,999   | 19    | 7.14%   |
| \$30,000-\$34,999   | 8     | 3.01%   |
| \$25,000-\$29,999   | 4     | 1.50%   |
| \$20,000-\$24,999   | 11    | 4.14%   |
| \$15,000-\$19,999   | 10    | 3.76%   |
| Less than \$15,000* | 3     | 1.13%   |

\*\*Note: US median household income in 2021 - census.gov

data, including salaries, for purposes of transparency and accountability. The Graduation Survey is the most direct method currently at our disposal.

To meet federal and state requirements, the Graduation Survey data includes a confidentiality statement to the effect that all survey data, including employment data, is kept confidential. Student are encouraged to complete the employment section of the survey. Student names are not listed with their employers, nor are salaries listed by employer. Salaries, as noted in Figure 3, are reported in ranges for an additional layer of privacy.

The most frequently reported employers by 2021-2022 respondents

- OG&E - 4.51%
- Saint Francis Health System – 2.63%
- Foley Equipment – 1.87%
- AEP/Public Service Company of Oklahoma - 1.87%

### Survey Scales

Five scales (tables 3-8) utilizing a five-point Likert scale were used to determine levels of satisfaction among graduating students in areas of *Academics*, *Campus Services*, *Student Services*, General Feedback, and *Summary Items*:

*1 = Very Dissatisfied to 5 = Very Satisfied or 1 = Strongly Disagree to 5 = Strongly Agree.*

The *Student Life Activities* questions examine student engagement in sponsored extracurricular activities. Unlike the other scales, which report average scaled responses, the Student Life Engagement scale was characterized by a frequency distribution summarizing the accumulation of endorsements representing participation in the activities listed.

### Satisfaction Questions

In the following charts and tables, the results for graduates of the most recent academic year are shown with frequencies for each item (response choice). Frequencies of *Not Applicable* and *No Answer* are included when appropriate. The results tables comparing the most recent five years (tables 2,4,6,8,10) show the weighted averages of responses for those five academic years. The weighted averages take into account only the students who responded to an item; nonresponses and “not applicable” responses carry no weight and were excluded from the weighted averages.

**Satisfaction with Academic Program.** Graduates in the current year reported higher levels of satisfaction in all areas versus 2020-2021 (table 2). Respondents reported the highest satisfaction with *Professionalism of Instructors* (4.33) and *Quality of instructors in my major program of study* (4.33). The item *Student organization associated with my program* (4.01) received lowest satisfaction ratings in this area for 2022.

**Satisfaction with Campus Services.** Graduates reported varying levels of satisfaction with campus services compared to last year (table 4). Highest satisfaction was reported for the *C-Store* (4.21). *Campus Housing* (3.56) had the lowest ratings among the campus services.

**Satisfaction with Student Services.** Student Services areas generally showed reduced satisfaction among graduating students compared to the previous year (table 6). The highest satisfaction ratings were reported for *LASSO Center (tutoring services)* (4.22). The lowest ratings were reported for *Counseling Services* (3.97).

**Extracurricular Activities.** Students do not rate these activities or events in terms of satisfaction, merely on self-reported participation. Class schedules, internships, and resident/commuter status likely affect opportunities for participation. Reported frequency of participation in extracurricular activities varied from the previous year (table 8). The highest level of participation was *Free Food Events* (1.98), and *Seasonal Festivals* showed the least participation (1.63).

**General Feedback & Summary.** Graduates reported the same or an increase in agreement with all items on these scales from the previous year (table 10). The item *“Overall, I am satisfied with my college experience at OSUIT”* showed the highest level of agreement for graduating students (4.14) followed by *“I would recommend OSUIT to my friends and family”* (4.10). The items *“OSUIT helped me build contacts with industry professionals”*(3.76) and *“OSUIT helped prepare me to interact with people from diverse backgrounds”* (3.89) had the lowest levels of agreement.

**Survey Scale Analysis.** Table 11 and Chart 6 report the mean averages for all survey scale results over the past five years for comparison as satisfaction and attitudes vary over time. The results for most of the satisfaction and agreement items were quite in line with results from 2016-2018; 2019 results appear uncommonly high when considering the results over the past five-years.

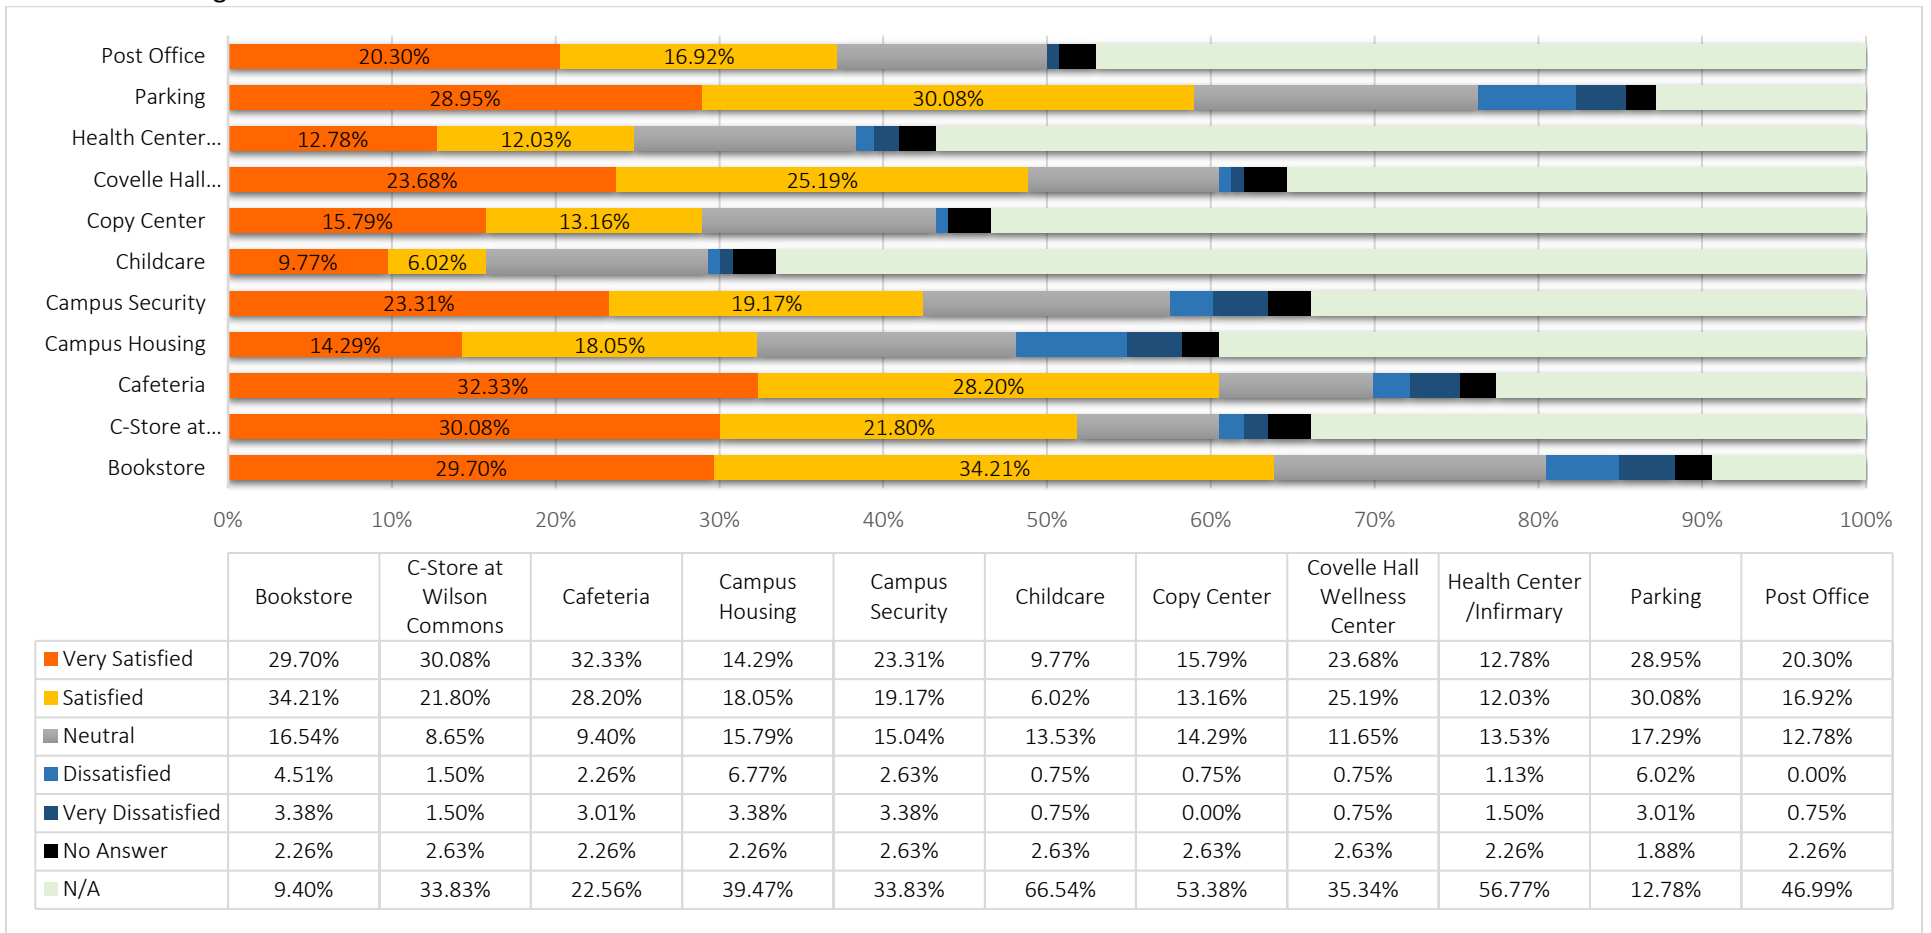

**Table 2. Five-Year Analysis (2018-2022)**

| Please indicate your satisfaction with your Academic Program at OSUIT.            | 2018 | 2019 | 2020 | 2021 | 2022 |
|---|------|------|------|------|------|
| Professionalism of instructors  | 4.30 | 4.28 | 4.32 | 4.20 | 4.33 |
| Quality of instructors' communication with students                               | 4.21 | 4.20 | 4.26 | 4.07 | 4.26 |
| Quality of instructors in General Education (ex., math, writing, history courses) | 4.09 | 4.13 | 4.08 | 4.07 | 4.15 |
| Quality of instructors in my major program of study                               | 4.26 | 4.23 | 4.32 | 4.25 | 4.33 |
| Advisement I received on my degree requirements                                   | 4.31 | 4.29 | 4.24 | 4.13 | 4.15 |
| Advisement I received on career matters   | 4.16 | 4.16 | 4.07 | 4.01 | 4.05 |
| Opportunities for practical experience in my chosen career field                  | 4.19 | 4.20 | 4.16 | 4.04 | 4.19 |
| Student organization associated with my program                                   | 4.06 | 4.08 | 3.96 | 3.86 | 4.01 |

Appendix J: Graduation Survey: Online survey download, includes survey flow and display logic

# Graduation Survey (GS)

Congratulations on earning your degree from OSUIT!

***Please read this introduction carefully:***

We need you to complete the Graduation Survey near the end of the semester in which you graduate. If you have graduated before, we ask that you complete this survey again as some of your contact information and opinions may have changed. Your completed Graduation Survey will provide outcomes and placement information to support OSUIT accreditation and accountability; this vital information impacts federal, state, and regional funding of programs that require placement and salary data.

This survey is designed to be completed start-to-finish. Before you start, make sure you have updated information related to your plans for life after graduation, such as new contact information; and, as applicable, information on employment/salary, continuing education, military service, or other plans you have made.

This survey has two parts:

- 1) Demographic/occupational data to be shared with your school/academic department; this data is very important as it affects funding sources that keep educational costs down for all students.
- 2) Satisfaction data; this data will be kept confidential in the Office of Institutional Research. We value your opinions and appreciate your feedback.

Pay attention to your responses on scaled items: **Low** or **negative** responses may be on the **left** or **top**, while **high** or **positive** responses may be on the **right** or **bottom**, depending on your device.

Privacy Statement: Published reports will not include any personally identifiable data. Be careful not to identify yourself when adding comments. Comments will be reviewed by the Office of Academic Affairs after being separated from your personally identifiable data by Institutional Research; these comments will be reviewed as written and may be addressed as deemed appropriate by the V.P. of Academic Affairs. Questions or concerns? Contact Curtis Miller in Institutional Research, email [iar@okstate.edu](mailto:iar@okstate.edu).

Please mark your current graduation semester (month and year):

August 2016 (summer)

School you are currently graduating from this semester as marked above.

School of Arts, Sciences & Health

School of Creative & Information Technologies

School of Engineering & Construction Technologies

School of Transportation & Heavy Equipment Technologies

Display This Question: If School you are currently graduating from this semester as marked above. =  
School of Arts, Sciences & Health

You listed "School of Arts, Sciences, & Health": What is your graduation major?

- Applied Technical Leadership (BT)
- Business
- Culinary Arts
- Enterprise Development
- Nursing
- Office Information Systems Technologies
- Orthotics & Prosthetics
- Pre-Education
- Pre-Professional Studies
- Allied Health Sciences
- Culinary Arts, Baking & Pastry
- Culinary Arts, Food Studies
- Culinary Certificate I
- Culinary Certificate II
- Enterprise Development, General Studies
- Enterprise Development, Business Administration

Display This Question: If School you are currently graduating from this semester as marked above. =  
School of Creative & Information Technologies

You listed "School of Creative & Information Technologies": What is your graduation major?

- 3D Modeling & Animation
- Graphic Design
- Information Technologies (AAS)
- Information Technologies (AS)
- Information Technologies (BT)
- Photography
- IT, Cybersecurity & Digital Forensics BT
- IT, Software Development BT
- IT, Network Infrastructure BT
- IT, Enterprise Management BT

Display This Question: If School you are currently graduating from this semester as marked above. =  
School of Engineering & Construction Technologies

You listed "School of Engineering & Construction Technologies": What is your graduation major?

- Air Conditioning & Refrigeration
- Construction, Construction Management
- Construction, Electrical Construction
- High Voltage Lineman
- Engineering, Electrical/Electronics
- Engineering, Instrumentation AAS
- Instrumentation BT
- Engineering Graphics & Design Drafting
- Civil Engineering BT
- Civil Engineering/Surveying AAS
- Engineering, Electromechanical
- Industrial Maintenance, Natural Gas Compression
- Industrial Maintenance, Plant Maintenance
- Industrial Maintenance, Level I certificate
- Industrial Maintenance, Level II certificate
- Pipeline Integrity
- Power Plant

Display This Question: If School you are currently graduating from this semester as marked above. =  
School of Transportation & Heavy Equipment Technologies

You listed "School of Transportation & Heavy Equipment Technologies": What is your graduation major?

- Collision Repair
- Ford ASSET
- GM ASEP
- MOPAR CAP
- PRO-TECH
- Toyota T-TEN
- Komatsu ACT
- Aggreko SelecTech
- CAT Dealer Prep
- Truck Technician
- WEDA Technician

| OSUIT helped me gain the proper skills needed for my chosen career.             |                       |              |             |           |                    |
| OSUIT provided opportunities for hands-on experience in my chosen career field. |                       |              |             |           |                    |
| OSUIT helped me build contacts with industry professionals.                     |                       |              |             |           |                    |
| OSUIT helped prepare me to interact with people from diverse backgrounds.       |                       |              |             |           |                    |
| OSUIT helped me achieve my educational goals.                                   |                       |              |             |           |                    |
| I would choose to attend OSUIT again.   |                       |              |             |           |                    |
| I would recommend OSUIT to my friends and family.                               |                       |              |             |           |                    |
| Overall, I am satisfied with my college experience at OSUIT.                    |                       |              |             |           |                    |
