Transfer Articulation Agreement between Rose State College & Oklahoma State University Institute of Technology

A. Sending and Receiving Institutions

Sending College: Rose State College (RSC)

Academic Division: Business & Information Technology

Degree: **A.A.S. in Business Administration with Marketing/Social Media Option**

Receiving University: Oklahoma State University Institute of Technology (OSUIT)

Academic Division: School of Arts, Sciences & Health, Division of Leadership &

Academic Foundations

Degree: **Bachelor of Technology in Applied Industry Leadership (BT AIL)**

B. Admission Requirements for OSUIT, Bachelor of Technology in Applied Industry Leadership

Each applicant must meet the following requirements for consideration for acceptance into the Applied Industry Leadership program.

1. Hold an Associate in Applied Science degree or higher with a minimum GPA of 2.0.
2. Submit a completed OSUIT application for admission.

Total transfer credits granted toward the Bachelor of Technology degree: 57-58

Total additional credits required at OSUIT to complete a Bachelor of Technology degree: 62-63

Total credits required for the Bachelor of Technology degree: 120

To comply with this agreement, students must complete the associate of applied science (A.A.S.) degree with the major listed above and follow the course-to-course equivalencies outlined below –

Rose State College Courses	OSUIT Equivalent Courses
Taken General Education Courses	Accepted General Education Courses

Highlighted BT AIL courses represent areas where students *might* be eligible for PLA based on long-term learning, work, and/or military experiences. Contact osuit-bt-ail@okstate.edu for more information.

C. Articulation Agreement Follow-Up Procedures

- Procedures for reviewing, updating, modifying, or terminating agreement:**
When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments, selected by their chairpersons/program directors.
- Procedures for evaluating agreements, i.e., tracking the number of students who transfer under the articulation agreement and their success:** At the beginning of the academic year, e.g., AY2025-26, the BT AIL Program Coordinator will provide the sending college with the following information – a) the number of students from the sending college who applied to the program; b) the number of students from the sending college who were accepted into the program; c) the number of students from the sending college who enrolled; and d) the number of students from the sending college who graduated with a BT AIL degree in 100 percent and 150 percent completion.
- Sending and receiving institution procedures for publicizing agreement, e.g., college catalogs, transfer advisors, websites, etc.:** This articulation agreement will be publicized on the websites of both the sending and receiving institutions. Transfer advisors at the sending college will promote this agreement with eligible students.
