Highlighted BT AIL courses represent areas where students *might* be eligible for PLA based on long-term learning, work, and/or military experiences. Contact [osuit-bt-ail@okstate.edu](mailto:osuit-bt-ail@okstate.edu) for more information.

### C. Articulation Agreement Follow-Up Procedures

- Procedures for reviewing, updating, modifying, or terminating agreement:**  
When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments, selected by their chairpersons/program directors.
- Procedures for evaluating agreements, i.e., tracking the number of students who transfer under the articulation agreement and their success:** At the beginning of the academic year, e.g., AY2025-26, the BT AIL Program Coordinator will provide the sending college with the following information – a) the number of students from the sending college who applied to the program; b) the number of students from the sending college who were accepted into the program; c) the number of students from the sending college who enrolled; and d) the number of students from the sending college who graduated with a BT AIL degree in 100 percent and 150 percent completion.

3. **Sending and receiving institution procedures for publicizing agreement, e.g., college catalogs, transfer advisors, websites, etc.:** This articulation agreement will be publicized on the websites of both the sending and receiving institutions. Transfer advisors at the sending college will promote this agreement with eligible students.

---

<sup>i</sup> The minimum overall GPA required for graduation is a 2.50.

<sup>ii</sup> If students take 3-credit hour mathematics at Rose State College, then this general education requirement is not necessary.

<sup>iii</sup> If students take 3-4 credit hours of science at Rose State College, then this general education requirement will vary. Overall, BT ALL students are required to take 7-credit hours of Sciences at OSUIT.
