

OSUIT Foundation scholarships

are funded by individuals, agencies, and organizations who set the scholarship awarding requirements. A separate scholarship application is not required for the following list of scholarships. Students who are enrolled full-time (i.e., 12 semester credit hours or more) and are meeting satisfactory academic progress, as well as any additional requirements set forth by the donor, will be considered for these scholarships. Students must be enrolled at least five (5) weeks prior to the beginning of the semester for scholarship consideration. All scholarships listed below are automatically awarded based on criteria as noted next to the scholarship.

Alexander - Carey Opportunity Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT. First selection preference will be given to students who are residents of Okmulgee County, Oklahoma; second selection preference will be given to students to have completed a minimum of 36 credit hours.
American Gas Association Scholarship	The selection of scholarship recipients shall be made based on demonstrated academic performance and financial need as determined by a successful FAFSA. Recipient must be enrolled as a full-time student in good standing. Have successfully completed two semesters of study in the University's Pipeline Integrity Technology program. Can not have been a recipient of a scholarship from the fund in prior semester(s). Must have a cumulative GPA of 2.8 or higher in the semester prior to each distribution in accordance with the standards set by the University.
Association of Oklahoma General Contractors Scholarship	The recipient must be enrolled as a student at Oklahoma State University Institute of Technology, in the Construction Technology program. The recipient must have an expressed interest in highway and bridge construction.
Bill Leib Culinary Scholarship	The recipient must be enrolled as a full-time student at OSUIT in the School of Culinary Arts Program and must have a grade point average of at least 2.5 on a 4.0 scale. Selection preference will be given to students who volunteer at Culinary Art events.
Bob Klabenes Endowed Scholarship Fund	The recipient must be enrolled as a full-time undergraduate student at OSUIT working toward an Associate Degree in Applied Science or a Bachelor of Technology Degree and must have documented financial need. The recipient must have completed a minimum of twelve (12) semester credit hours at OSUIT with a grade point average of at least 2.4 on a 4.0 scale, computed solely on courses completed at OSUIT. Selection preference shall be given to students enrolled in the Registered Nurse Program. ~
Brandon Thrash & Valarie Carter Fine Dining Scholarship	The recipient must be enrolled as a full-time student at OSUIT and must have completed a minimum of two semesters in the Culinary Arts program. The recipient must have a minimum grade point average of 3.0 on a 4.0 scale and must submit an original recipe that has never been selected as a winning entry in any competitive contest, to the selection committee. Selection preference will be given to students who are residents of the State of Oklahoma and who are currently employed or interning in a fine dining establishment.
Bruce Mercer Memorial Scholarship	The recipient must be enrolled as either a part-time or full-time student at OSUIT in the Division of Arts and Sciences. The recipient may be a high school student participating in concurrent courses at OSUIT or selected from the current OSUIT student body. The recipient must be in good academic standing and making sufficient progress toward completion of his/her program of study. Selection preference shall be given to first generation college students.
Cecil Oakley Memorial Endowment Fund	Preference will be given to students currently enrolled in the Automotive Technology program. Recipients must be from Alfalfa or Washington County (Oklahoma). Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better. Must have financial aid need as determined by a successful FAFSA.
Chesapeake Energy OSU-OKM Natural Gas Compression Scholarship	Scholarships may be awarded to graduating high school seniors or first year students enrolled as full-time students at Oklahoma State University Institute of Technology in the Natural Gas Compression Program. Recipients must have a high school unweighted Grade Point Average of 2.5. For first year students enrolled as full-time students, a minimum unweighted Grade Point Average of 2.5 is required. In addition, recipients must have a desire to pursue a degree in natural gas compression and an interest in preparing for a career in the Natural Gas Compression industry. In order for scholarship renewal, recipients must maintain a 3.0 Cumulative GPA.~

OSUIT Foundation scholarships

Chevron Instrumentation Technology Scholarship	Recipients must be currently enrolled in the Electrical/Electronics program or BT in Instrumentation. Prospective and Continuing students with a minimum GPA of 2.5 are eligible to apply. Must have financial aid need as determined by a successful FAFSA.
Chevron Natural Gas Compression Scholarship	Recipients must be currently enrolled in the HEVi Natural Gas Compression program. Prospective and Continuing students with a minimum GPA of 2.5 are eligible to apply. Must have financial aid need as determined by a successful FAFSA.
Conoco Phillips Scholarship	Recipients must be currently enrolled in the Air Conditioning and Refrigeration program. Continuing students with a minimum GPA of 2.5 are eligible to apply. Must have financial aid need as determined by a successful FAFSA.
Cowboy Chef's Table Scholarship	The recipient must be enrolled as a student at OSUIT and must be enrolled in the School of Culinary Arts.
David Allen Minson Scholarship Fund	The recipient must be enrolled as a full-time student at OSU IT in the Engineering Technology program. The recipient must have a minimum cumulative institutional GPA of 2.50 or higher for continuing students, and a minimum 2.50 cumulative CPA for high school and/or transfer students. Recipient should have documented financial need as determined by a successful FAFSA.
Don Porter Construction Management Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT, with documented financial need as determined by a successful FAFSA. The recipient must have completed one half of their degree program and a minimum of sixty (60) hours in either the Construction Management program or the Civil Engineering program. Recipients must have a grade point average of at least 2.0 on a 4.0 scale, with evidence of satisfactory academic progress. Selection preference shall be given to students who are graduates of Oklahoma high schools.
Don Porter Scholarship Fund	The recipient must be enrolled as a full-time student at OSUIT. Recipients must have completed a minimum of sixty (60) hours of coursework and at least one half of their degree program. Recipients must have a grade point average of at least 2.0 on a 4.0 scale, with documented financial need as determined by a successful FAFSA. Two (2) scholarships will be awarded during an academic year, one to a student in the Construction Management program and one to a student in the Civil Engineering program. Selection preference will be given to students who are graduates of Oklahoma high schools.
E.D. Hall and B.V. McMillan Memorial Fund	The recipient must be enrolled as a student at OSUIT. The recipient must have a minimum grade point average of at least 2.75 on a 4.0 scale and documented financial need. Selection preference will be given to students enrolled in the School of Engineering Technologies, pursuing a degree in Electrical/Electronics Technology. ~
Edward E. and Helen T. Bartlett OSUIT Scholarship	The recipient must be enrolled at Oklahoma State University Institute of Technology and must have graduated from Sapulpa High School. Additional Selection criteria determined annually by the trustees of the Bartlett Foundation.
Engineering Technologies Scholarship	Recipients must be enrolled in Engineering Technology program. Prospective students are eligible to apply. Recipients must have a High School Cumulative GPA of 2.5 or better. Must have financial need as determined by a successful FAFSA.
Foley Equipment Scholarship Fund	The Fund shall be used to provide scholarships to students in the HEVI Department. The recipient must be enrolled as a full-time student at OSU IT in the CAT Dealer Prep Program. The recipient must have a minimum cumulative institutional GPA of 2.50 or higher for continuing students, and a minimum 2.50 cumulative GPA for high school and/or transfer students. Recipient should have documented financial need as determined by a successful FAFSA.
Ford ASSET OSUIT Scholarship	The recipient must be enrolled as a full-time student at OSUIT in the Ford ASSET Program and must have completed his/her first semester of coursework. The recipient must have a grade point average of at least 3.0 on a 4.0 scale and must be sponsored as an ASSET intern by a Ford or Lincoln dealer. The recipient must be able to be employed in the United States following recipient's completion of the program.

OSUIT Foundation scholarships

Frank W. "Pat" Murphy Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT. The recipient must have a high school grade point average of at least 3.0 on a 4.0 scale if he/she is an entering freshman student and a grade point average of at least 3.0 on a 4.0 scale if he/she is a continuing student. The recipient must have documented financial need as determined by a successful FAFSA. Recipient must be enrolled in either Engineering Technologies or the HEVI Division. ~
Fred Jones Ford Scholarship Fund	The recipient must be enrolled as a full-time student at OSUIT in the Automotive Service Technology program. The recipient must have completed a minimum of 12 semester credit hours and have a minimum cumulative institutional GPA of 3.0 or above. Recipient should have documented financial need as determined by a successful FAFSA.
Gas Compressors Association Scholarship	Recipients must be currently enrolled in the Natural Gas Compression program. Continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.75 or better. Scholarships will be awarded to recipients with 12 credit hours completed. Must have financial need as determined by a successful FAFSA.
Gene Haas Scholarship	The recipient must be enrolled as a student at OSUIT in the Manufacturing Program, School of Engineering Technologies and must have a grade point average of at least 2.5 on a 4.0 scale.
GPA Midstream Association Scholarship	The recipient must be enrolled in the School of Energy Technologies at OSUIT. Recipients must have a cumulative grade point average of at least 2.75 or above. Recipients must have financial need as determined by successfully completing the FAFSA. Scholarships will be awarded to continuing students with twelve credit hours complete.
GPSA/Bartlett Family Scholarship at OSUIT	The recipient must be enrolled as a full-time undergraduate student at OSUIT, with documented financial need. The recipient must be enrolled in the Natural Gas Compression Program in the HEVI Department and must have a grade point average of at least 2.5 on a 4.0 scale.
Grady W & Joan K Clack Scholarship	The recipient must be enrolled as a full-time student at Oklahoma State University Institute of Technology.
Gulf States Toyota, Inc & The Friedkin Group Scholarship	The recipient must be enrolled as a full-time student at OSUIT in the Toyota Automotive Service Program. The recipient must have a grade point average of at least 2.50 on a 4.0 scale The scholarship amounts will be determined each year by the scholarship committee with input by a representative of Gulf States Toyota, Inc. and The Friedkin Group.
H.K. and Tonnie Greer Scholarship Endowment Fund	The recipient must be enrolled as a first-year student at Oklahoma State University Institute of Technology. First preference shall be given to graduates of Morris High School; second preference shall be given to graduates of Beggs High School; and third preference shall be given to graduates of any high school in Okmulgee County.
Halliburton Student Scholarship Fund	Preference will be given to students currently enrolled in the Engineering Technology program. Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better.
Henry & Katy Martin Endowed Scholarship	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply.
HEVi Endowed Scholarship Fund	Preference will be given to students currently enrolled in the HEVi Technology programs. Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better.
International Society of Automation Scholarship	Recipients must be currently enrolled in the Electrical/Electronics Program and have completed a minimum of 75 credit hours in the Electrical/Electronics program . Must have financial aid need as determined by a successfully completed FAFSA. Cumulative 3.0 GPA or better is required.
J.A. Riggs Tractor CAT Dealer Prep Program Sponsorship	CAT Dealer Prep
J.C. Crawford Memorial Scholarship	Recipient must be a full-time student enrolled in not less than 12 semester credit hours. Must be meeting satisfactory academic progress. Preference to be given to applicants who are indeed needy and worthy and for various reasons would not otherwise qualify to receive aid from another scholarship source, particularly those provided by the Federal Government. ~

OSUIT Foundation scholarships

J.D. Roberts Scholarship Fund	Recipient(s) must be a graduate of an Okmulgee County High School. Both prospective and continuing students are eligible to apply.
James "Mac" McCullough Visual Comm. Endowed Scholarship	The recipient must be enrolled as a first year student at OSUIT in the School of Visual Communications.
James H. Eaton Memorial Scholarship	Recipient(s) must be a first-year student at Oklahoma State University Institute of Technology and a graduate from an Okmulgee County High School. Must have financial aid need as determined by a successful FAFSA.
Jason Newberry Memorial Scholarship	The recipient must be enrolled as a student at OSUIT in the Natural Gas Compression program. Continuing students must have earned a minimum of twelve semester credit hours and a cumulative institutional grade point average of at least 2.75 on a 4.0 scale to be eligible to apply for the award. Financial need as demonstrated by the FAFSA is not a requirement. ~
Jennifer Hill Booker OSUIT Culinary Scholarship	The recipient must be enrolled as a student at Oklahoma State University Institute of Technology. The recipient must have a grade point average of at least 2.5 on a 4.0 scale and be enrolled in the Culinary Arts program.
Joe Thomas Worley Memorial Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT. The recipient must have a grade point average of at least 2.5 on a 4.0 scale if he/she is an entering freshman student or a grade point average of at least 3.0 if a continuing student. OSU-Okmulgee Noble Foundation Scholarship	The donor reserves the right to define the areas of study in which the scholarship funds are used. Scholarship recipients must agree to add to the scholarship fund after completion of their course of study in accordance with guidelines established by the committee at the time the scholarship is granted.
Pat Hannigan Scholarship	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply.
Paul B. and Carol L. Millett Endowed Scholarship	The recipient must be enrolled as either a full or part-time student at OSUIT in the Engineering Technologies Program and must have a grade point average of at least 3.0 on a 4.0 scale.

OSUIT Foundation scholarships

Paul Caplinger Endowed Scholarship Fund	The recipient must be enrolled as a full-time student studying Culinary Arts at Oklahoma State University Institute for Technology, Okmulgee, Oklahoma.
Paul England Scholarship Endowment	Open to all students enrolled at Oklahoma State University Institute of Technology. Both prospective and continuing students are eligible to apply
Peg Zannotti Endowed Scholarship	The recipient must be enrolled as a student at OSUIT and must have documented financial need as determined by a successful FAFSA. Selection preference will be given to students in the Nursing Program.~
Phillips 66 Scholars	The recipient must be enrolled in a Phillips 66 approved program at OSUIT and classified as a second-year student. The recipient must have a minimum grade point average of at least 2.5 on a 4.0 scale.
Pipeliners Club Scholarship	Recipients must be currently enrolled in the Electrical/Electronics Program. Prospective first time college students with a Cumulative High School GPA of 2.5 or better is required . Must have financial need as determined by a successful FAFSA.
Power Plant Technology	Preference will be given to students currently enrolled in the Engineering Technology- Power Plant program. Both prospective and continuing students are eligible to apply. Recipients must have a Cumulative GPA of 2.5 or better. Must have financial aid need as determined by a successfully completed FAFSA.
Robert and Louise Hess Memorial Scholarship	The recipient must be enrolled as a full-time student at OSUIT and must be a graduate of Okmulgee High School, Okmulgee, Oklahoma.
Robert D. Smith Endowed Memorial Scholarship	The recipient must be enrolled as a student at OSUIT.
Robert Kamm Scholarship	Recipients must be currently enrolled in the Automotive Service Technology Program. Continuing students with a minimum GPA of 3.0 and a minimum of 12 semester credit hours. Must have financial aid need as determined by a successful FAFSA.
Ronald Joe Henricksen Scholarship	Recipients must be enrolled as students at Oklahoma State University Institute of Technology. First selection preference shall be given to students enrolled in the Automotive Technologies Division degree programs. Second selection preference shall be given to students who graduate from a high school in Canadian County, Oklahoma.
Roy Achemire Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT in the School of Energy Technologies and must have a grade point average of at least 2.5 on a 4.0 scale.
Sam Viersen Scholarship	The recipient must be enrolled as a full-time student at OSUIT and must have a high school grade point average of at least 2.5 on a 4.0 scale. The recipient may receive the scholarship for up to two years of undergraduate study, provided he/she continues to maintain full-time status and a minimum 2.5 cumulative grade point average. Selection preference will be given to Okmulgee High School seniors who have financial need. In the event Okmulgee High School students are not identified for the award, the recipient may be a resident of Okmulgee County, Oklahoma.
Scott and Linda Young Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT in the School of Automotive Technologies or the School of Diesel and Heavy Equipment. The recipient must have a grade point average of at least 2.5 on a 4.0 scale and documented financial need as determined by a successful FAFSA.
Senator Tom and Maxine Payne Memorial Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT. Selection preference will be given to students who are veterans of the armed services or who are studying Automotive Technologies.
Senator Tom Payne Memorial End. Sch. Honoring Edgar Vassaur	The recipient must be enrolled as a full-time student at OSUIT. Selection preference will be given to students who are veterans of the armed services or who are studying Automotive Technologies.

OSUIT Foundation scholarships

Sofidel Scholarship	The recipient must be enrolled as a student at Oklahoma State University Institute of Technology and may be either full-time or part-time. The recipient must be enrolled in either the Electrical Construction or the Instrumentation Technology programs and must have a grade point average of at least 2.5 on a 4.0 scale. ~
Swank Family Endowed Scholarship	The recipient must be enrolled as a student at OSUIT and must have a grade point average of at least 2.5 on a 4.0 scale. The recipient must be enrolled in one of the following areas: School of Automotive Technologies, School of Engineering Technologies, School of Information Technologies, School of Construction Technologies, School of Energy Technologies, School of Visual Communications, School of Nursing and Health Sciences, School of Diesel and Heavy Equipment or the School of Culinary Arts.
The Gladyce S. and Frank D. Bittner Foundation Scholarship Fund	Recipients must be enrolled as full-time students at OSUIT and be in good academic standing at OSU Institute of Technology.
Thomas H. Payne Endowed Scholarship	The recipient must be enrolled as a student in good standing at OSUIT and must have a grade point average of at least 2.5 on a 4.0 scale. Preference will be given to students who are veterans of the armed forces of the United States.~
Tony Garcia Jr. Memorial Scholarship	The recipient must be enrolled as either a part-time or full-time student at OSUIT and must have a grade point average of at least 2.0 on a 4.0 scale. In order to increase minority diversity among students at OSUIT, first selection preference shall be given to students of Hispanic origin.
Walter and Marion Coyle Endowed Scholarship	Prospective and Continuing students with a minimum GPA of 2.5 are eligible to apply.
Wanda S. Payne Endow. Schl Honoring G.C. "Bud" Brigance	The recipient must be enrolled as a full-time student at OSUIT and must have a grade point average of at least 2.5 on a 4.0 scale. Selection preference will be given to students enrolled in the School of Engineering Technologies.~
Wanda S. Payne Endowed Scholarship	The recipient must be enrolled as a student in good standing in the Health Science Program at OSUIT and must have a grade point average of at least 2.5 on a 4.0 scale. Preference will be given to students based on financial need as determined by a successful FAFSA.~
Warren CAT Dealer Prep Program Sponsorship	CAT Dealer Prep
Wayne Miller Memorial Endowed Scholarship	The recipient must be enrolled as a full-time student at OSUIT and must have documented financial need as determined by a successful FAFSA.~
WEDA OSUIT Endowed Scholarship	The recipient must be enrolled as a student at OSUIT in the Western Equipment Dealers Association ("WEDA") technician training program.
Willis Worley Jr. Memorial Sch. / Curby & Aline Brown	The Fund will be used to provide scholarships for students enrolled at OSUIT.
