

FINANCIAL AID ACADEMIC PLAN

University and federal regulations require that a student be making satisfactory academic progress (SAP) toward a degree to be eligible for financial aid. The Financial Aid Appeals committee has determined that you cannot make satisfactory academic progress within one semester or you have asked for permission to exceed your maximum hours in order to obtain your degree. **To continue to be eligible for financial aid at OSUIT, you must agree to and follow this academic plan which has been developed by you and your advisor. Failure to do so will make you ineligible for financial aid at OSUIT. Financial Aid will not be applied to your account until this form is returned.**
