OSU Institute of Technology is proud to present the Stay True Scholarship—$150 off your summer 2020 or fall 2020 tuition. This scholarship is a one-time, non-transferable waiver towards your reenrollment at OSUIT, and it’s available to all students who have completed at least one credit hour during the spring 2020 semester.

We understand the importance of funding your education and how stressful it can be. OSUIT wants to help students through this limited opportunity to offset the cost of returning to school after facing a unique and challenging spring semester.

Best of all, no application is necessary. The only criteria for receipt of this scholarship is that you have completed at least one credit hour during the spring 2020 semester.
