The U.S. Department of Education has selected your file for review due to your unusual enrollment history. An unusual enrollment history is defined as attending multiple colleges/universities in the past four years. You must submit this form and the required documentation so that your financial aid eligibility can be determined.

Please mark the box which applies to you:

- I received academic credits from **all** the institutions that I attended during the past four years as confirmed by my **official academic transcripts**.
- I did not receive **any** academic credits from **one or all institutions** that I attended during the last four academic years.

If you did not earn **any** academic credit at an institution you previously attended you must provide a **typed and signed** statement explaining why you failed to earn academic credits. You must also provide third party documentation to support your explanation(s).

Please list and **submit** transcripts for **all** colleges/universities you have attended (use the back, if necessary):
