[Ⓢ] Corequisite strategies course available. See advisor for details.

♦ Students in the Allied Health Sciences program are given the flexibility to choose Guided Program Electives to satisfy the requirements of their planned career or the requirements of an additional healthcare program (e.g., a nursing program) to which the student plans to apply. Students are encouraged to speak to their advisor and discuss the most appropriate Guided Program Electives to satisfy their educational and/or career goals. Guided Program Electives may be selected from the following courses and/or additional approved coursework not utilized to fulfill general education requirements.
