

Program	Course	Technology Center Partner	Technology Center Course(s)
Civil Engineering/Surveying Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Autry Technology Center, Enid	Computer Aided Drafting and Design Fundamentals of Computer Aided Drafting and Design; Principles of CAD Design
Engineering Graphics & Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Autry Technology Center, Enid	Computer Aided Drafting and Design Fundamentals of Computer Aided Drafting and Design; Principles of CAD Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Autry Technology Center, Enid	Computer Aided Drafting and Design Fundamentals of Computer Aided Drafting and Design; Principles of CAD Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Autry Technology Center, Enid	Computer Aided Drafting and Design Fundamentals of Computer Aided Drafting and Design; Principles of CAD Design
Engineering Graphics & Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, Chickasha	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, Chickasha	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, Chickasha	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design

Program	Course	Technology Center Partner	Technology Center Course(s)
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Canadian Valley Technology Center, El Reno	General Carpenter Cabinet Making; Advanced Framing; Interior Finishing; Cabinetry Design, Construction & Installation
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Canadian Valley Technology Center, El Reno	Electrician's Assistant Residential Wiring: Electrical Box/Cable/ Switches; Residential Wiring Installation
Civil Engineering/Surveying Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, El Reno	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design
Engineering Graphics & Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, El Reno	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, El Reno	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Canadian Valley Technology Center, El Reno	CAD Drafter/Designer Fundamentals of Computer Aided Drafting and Design; Engineering Computer Aided Drafting and Design
Air Conditioning and Refrigeration Technology - AAS	ACR 1121 Intro to ACR Technology	Central Tech, Drumright	HVAC Maintenance and Workforce Connection
Air Conditioning and Refrigeration Technology - AAS	ACR 1121 Intro to ACR Technology	Central Tech, Drumright	Construction Technology HVAC

Program	Course	Technology Center Partner	Technology Center Course(s)
Air Conditioning and Refrigeration Technology - AAS	ACR 1126 ACR System Applications	Central Tech, Drumright	Safety and General Construction, Electrical and Appliance Maintenance, Safety & General Welding, and Preventative Maintenance (Auto/Small Engine) and pass a written and practical application assessment administered by OSUIT
Air Conditioning and Refrigeration Technology - AAS	ACR 1126 ACR System Applications	Central Tech, Drumright	General Safety and Cabinet Construction, Construction Technology Electrical, Construction Core (Welding), and Construction Principles and Equipment Maintenance and pass a written and practical application assessment administered by OSUIT
Construction Technology (Option: Construction Management) - AAS	CNS 1113 Construction Materials & Procedures	Central Tech, Drumright	General Safety, Plan Reading and Elevations, and Metal Stud Framing
Construction Technology (Option: Construction Management) - AAS	CNS 1113 Construction Materials & Procedures	Central Tech, Drumright	Construction Core & Safety, Construction Principles, and Advanced Framing
Construction Technology (Option: Construction Management) - AAS	CNS 1263 Construction Blueprints & Specifications	Central Tech, Drumright	Residential Exterior Trim and Roof, Install Doors (Interior Finish & Trim), and Cabinet Construction
Construction Technology (Option: Construction Management) - AAS	CNS 1263 Construction Blueprints & Specifications	Central Tech, Drumright	Exterior & Finishing, Interior Finish & Trim, and Advanced Finishing
Electrical Construction Technologies - AAS	CNS 1213 Construction Safety OSHA 30 Hours	Central Tech, Drumright	OSHA & Basic Safety in Construction/Electrical Safety (45 hours with OSHA 30 card)
Electrical Construction Technologies - AAS	CNS 1213 Construction Safety OSHA 30 Hours	Central Tech, Drumright	General Safety

Program	Course	Technology Center Partner	Technology Center Course(s)
Electrical Construction Technologies - AAS	ECNT 1103 DC & AC Circuit Analysis	Central Tech, Drumright	Electrical Theory in Construction, Alternating Current/Direct Current Circuits in Construction, and Motor Theory/Motor Control & PLC Circuits in Construction
Electrical Construction Technologies - AAS	ECNT 1103 DC & AC Circuit Analysis	Central Tech, Drumright	Electrical Distribution in Construction, Alternating Current Theory and Direct Current Circuits, and Electrical Motor Control
Electrical Construction Technologies - AAS	ECNT 1113 Basic Electrical Wiring Methods	Central Tech, Drumright	Residential Wiring Methods, Commercial Wiring Methods, and Industrial Wiring Methods
Electrical Construction Technologies - AAS	ECNT 1113 Basic Electrical Wiring Methods	Central Tech, Drumright	Electrical Wiring Installations, Basic Conduit Theory, and Electrical Motor Control
Engineering Technologies - Electrical/Electronics Option - AAS	ETD 1012 Safety Applications	Central Tech, Drumright	Safety in Manufacturing I and Safety in Manufacturing II
Engineering Technologies - Electrical/Electronics Option - AAS	ETD 1012 Safety Applications	Central Tech, Drumright	General Safety
Engineering Technologies - Electrical/Electronics Option - AAS	ETD 1003 Introduction to Instrumentation Technology	Central Tech, Drumright	Basic Electric Theory, Computer Control (MicroLogix), and Basic Electrical Machines)
Engineering Technologies - Electrical/Electronics Option - AAS	ETD 1003 Introduction to Instrumentation Technology	Central Tech, Drumright	AC/DC Electrical Systems, Programmable Applications, Mechanical Drive Systems
Engineering Technologies - Electrical/Electronics Option - AAS	ETD 2253 Hydraulics & Pneumatics	Central Tech, Drumright	Electro-Fluid Power, Industrial Electrical Wiring, and Variable Frequency Drives - AC
Engineering Technologies - Electrical/Electronics Option - AAS	ETD 2253 Hydraulics & Pneumatics	Central Tech, Drumright	Fluid Power, Industrial Electrical Wiring, and Programmable Applications

Program	Course	Technology Center Partner	Technology Center Course(s)
Engineering Design Drafting Technologies - AAS	ETDG 1192 Applied Auto CAD	Central Tech, Drumright	CAD Architecture Level 1 & 2 and CAD Architecture Level 3
Engineering Design Drafting Technologies - AAS	ETDG 1192 Applied Auto CAD	Central Tech, Drumright	Architecture Computer Aided Drafting and Design
Engineering Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Central Tech, Drumright	Fundamentals of Computer Aided Drafting & Design, Safety and Intro to Tech Drawing, and Principles of CAD Design
Engineering Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Central Tech, Drumright	Fundamentals of Computer Aided Drafting & Design, General Safety and Drawing Document and Management, and Fundamentals of Computer Aided Drafting and Design
Engineering Design Drafting Technologies - AAS	ETDG 1523 Architectural Design	Central Tech, Drumright	Engineering Computer Aided Drafting & Design, Architecture Computer Aided Drafting & Design, and Presentation Graphics Animation
Engineering Design Drafting Technologies - AAS	ETDG 1523 Architectural Design	Central Tech, Drumright	Material and Equipment Specifications and Engineering Computer Aided Drafting and Design, Plan Reading and Elevations, and Architecture Computer Aided Drafting and Design
High Voltage Line Technician - AAS	HVLP 1121 Introduction to High Voltage Line Technician Program	Central Tech, Drumright	OSHA 10 and Power Line General Safety and Basic Electricity
High Voltage Line Technician - AAS	HVLP 1243 High Voltage Pole Climbing Techniques	Central Tech, Drumright	Pole Climbing Skills and Utility Internship
High Voltage Line Technician - AAS	HVLP 1243 High Voltage Pole Climbing Techniques	Central Tech, Drumright	Pole Climbing Skills and Career Major Capstone-WBL (Utility Internship)

Program	Course	Technology Center Partner	Technology Center Course(s)
High Voltage Line Technician - AAS	HVLP 2663 Heavy Construction Equipment & Operations	Central Tech, Drumright	Class A Commercial Driver's License, Framing and Construction Specs, and Equipment Operation
High Voltage Line Technician - AAS	HVLP 2663 Heavy Construction Equipment & Operations	Central Tech, Drumright	Truck Driver Training for Full-Time Programs, Pole Framing and Construction Specifications, and Equipment Operations
Industrial Maintenance Technologies - Natural Gas Compression Option - AAS	SEIM 1103 Fundamentals of Industrial Maintenance	Central Tech, Drumright	Electrical and Appliance Maintenance, HVAC Maintenance, and Plumbing Maintenance
Industrial Maintenance Technologies - Natural Gas Compression Option - AAS	SEIM 1103 Fundamentals of Industrial Maintenance	Central Tech, Drumright	Construction Technology Electrical, Construction Technology HVAC, and Construction Technology Plumbing
Information Technologies - AAS	ITD 1213 Hardware Systems Support	Central Tech, Drumright	Computer Repair II
Information Technologies - AAS	ITD 1213 Hardware Systems Support	Central Tech, Drumright	Computer Repair & Troubleshooting I and II
Information Technologies - AAS	ITD 1223 Network Systems	Central Tech, Drumright	Networking
Information Technologies - AAS	ITD 1223 Network Systems	Central Tech, Drumright	Network/Client Operating Systems
Information Technologies - AAS	ITD 1243 Principles of Information Security	Central Tech, Drumright	Linux Security and/or BT-00174: Linux Administration
Information Technologies - AAS	ITD 1243 Principles of Information Security	Central Tech, Drumright	Security Fundamentals and Network Security Awareness
Information Technologies - AAS	ITD 2223 Operating Systems	Central Tech, Drumright	Azure Windows Administration
Information Technologies - AAS	ITD 2223 Operating Systems	Central Tech, Drumright	Server Operating Systems and Network Security Awareness
Pipeline Integrity Technology - AAS	SEPL 1113 Introduction to Pipelines & Facilities	Central Tech, Drumright	Intro to Pipeline Industry, Pipeline Equipment & Maintenance, and Pipeline Communication & Operations

Program	Course	Technology Center Partner	Technology Center Course(s)
Pipeline Integrity Technology - AAS	SEPL 1113 Introduction to Pipelines & Facilities	Central Tech, Drumright	Introduction to Pipelines, Pipeline Maintenance, and Control Center Operations
Pipeline Integrity Technology - AAS	SEPL 1123 Pipeline Materials & Components	Central Tech, Drumright	Pipeline Inspection & Coating, Valve & Coating Inspection/Repair, and Abnormal Operating Conditions/Quality Control
Pipeline Integrity Technology - AAS	SEPL 1123 Pipeline Materials & Components	Central Tech, Drumright	Pipeline Blueprint Reading and Internal Inspection, Pipeline Tests & Repairs, and Pipeline Excavation, Inspection and Repairs
Pipeline Integrity Technology - AAS	SEPL 1213 Processing & Product Handling	Central Tech, Drumright	Pipeline Tests & Repairs, Pipeline Electrical & Instrumentation/Cathodic Protection, and Intro to Pipeline Measurement & Maintenance
Pipeline Integrity Technology - AAS	SEPL 1213 Processing & Product Handling	Central Tech, Drumright	Pipeline Tests & Repairs and Pipeline Maintenance
Power Plant Technology - AAS	SEPP 1113 Introduction to Electrical/Electronics	Central Tech, Drumright	Basic Electric Theory, Computer Control (MicroLogix), and Basic Electrical Machines
Power Plant Technology - AAS	SEPP 1113 Introduction to Electrical/Electronics	Central Tech, Drumright	AC/DC Electrical Systems, Programmable Applications, and Mechanical Drive Systems
Power Plant Technology - AAS	SEPP 1223 Electrical Motors & Controls	Central Tech, Drumright	Electro-Fluid Power, Industrial Electrical Wiring, and Variable Frequency Drives-AC
Power Plant Technology - AAS	SEPP 1223 Electrical Motors & Controls	Central Tech, Drumright	Fluid Power and Industrial Electrical Wiring

Program	Course	Technology Center Partner	Technology Center Course(s)
Pro Tech - AAS	AUMP 1003 Automotive Service Fundamentals	Central Tech, Drumright	T100480 Introduction to Automotive Service, T100864 Servicing Wheels, plus Automotive Service Excellence (ASE) Student Certification of Maintenance and Light Repair
Pro Tech - AAS	AUMP 1003 Automotive Service Fundamentals	Central Tech, Drumright	General Safety, Fundamentals of Automotive Service, and Automotive Steering and Suspension
Pro Tech - AAS	AUMP 1053 Automotive Engines	Central Tech, Drumright	T100297 Automotive Engine Performance Introduction and T100846 Automotive Engine Performance II, plus ASE Student Certification of Engine Performance
Pro Tech - AAS	AUMP 1053 Automotive Engines	Central Tech, Drumright	Automotive Engine Performance
Pro Tech - AAS	AUMP 1073 Electrical/Electronics Training I	Central Tech, Drumright	T100293 Automotive Electrical/Electronic Systems Introduction and T100357 Electrical/Electronics Foundations, plus ASE Student Certification of Electrical/Electronic Systems
Pro Tech - AAS	AUMP 1073 Electrical/Electronics Training I	Central Tech, Drumright	Automotive Electrical and Electronics
Pro Tech - AAS	AUMP 2593 Automotive Heating, Ventilation & Air Conditioning	Central Tech, Drumright	T100852 Automotive Heating Ventilation & Air Conditioning plus Mobile Air Climate Systems Association (MACS) 609 Certification and ASE Student Certification of Heating and Air Conditioning

Program	Course	Technology Center Partner	Technology Center Course(s)
Truck Technician - AAS	DHEU 1143 Maintenance Fundamentals	Central Tech, Drumright	General Safety, Medium/Heavy Diesel Truck Preventative Maintenance, Medium/Heavy Diesel Truck Brakes, Medium/Heavy Diesel Steering & Suspension (Natef Aligned) and students must have completed forklift operation and training and must pass OSUIT safety training upon enrollment; students must complete 9-10 hours of OEM training through independent study by end of the first semester
Truck Technician - AAS	DHEU 1253 Electrical Circuits, Charging & Starting Systems Diagnostics & Repair	Central Tech, Drumright	Medium/Heavy Diesel Truck Electricity, Medium/Heavy Diesel Truck Engine Systems, Medium/Heavy Diesel Truck HVAC, Medium/Heavy Diesel Truck Tire and Brake Service, and Medium/Heavy Diesel Hydraulics and students must complete 9-10 hours of OEM training through independent study by the end of the second semester
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods-Residential	Gordon Cooper Technology Center, Shawnee	Residential Electrician's Assistant
Construction Technology (Option: Electrical Construction) - AAS	ECNT 2473 Electrical Wiring Methods II-Commercial	Gordon Cooper Technology Center, Shawnee	Commercial Electrician's Assistant

Program	Course	Technology Center Partner	Technology Center Course(s)
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Great Plains Technology Center, Frederick	Residential Carpentry Installation of Interior Doors; Metal Stud Framing; Drywall Installation; Drywall Finishing; Windows, Doors, Floors & Ceiling Trim; Fundamentals of Cabinetmaking; Cabinet Design/Planning & Estimating; Basic Cabinet Construction; Cabinet Installation; Interior Doors & Trim; Basic Finishing Techniques; Advanced Cabinet Construction
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Great Plains Technology Center, Lawton	Carpentry Level I & Carpentry Level II Introduction to Cabinet Making; Drywall Installation & Finishing; Finish Carpentry; Basic Coatings Techniques; Advanced Cabinets
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Great Plains Technology Center, Lawton	Electrical Level I Electrical Wiring Methods I; Electrical Wiring Methods II; Electrical Wiring Installations
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Green Country Technology Center, Okmulgee	Carpentry Metal Stud Framing; Drywall Installation; Drywall Finishing; Installation of Interior Doors; Suspended Ceiling; Windows, Doors, Floors & Ceiling Trim; Cabinet Installation
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Meridian Technology Center, Stillwater	Electrical Apprentice – Level 1; Residential Electrical Wiring Methods II; Electrical Wiring Methods III; Electrical Wiring Methods IV

Program	Course	Technology Center Partner	Technology Center Course(s)
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Metro Tech Center, South Bryant Campus	Fundamentals of Computer Aided Drafting and Design; Principles of CAD
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Metro Tech, South Bryant Campus	CST 1880 Drywall Installation & Finishing; CST 1890 ; Interior Trim & Finish; CST 1900 Doors & Door Hardware; CST 1910 Cabinet Fabrication & Installation
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Metro Tech, South Bryant Campus	MNR 1360 Residential Wiring Methods
Civil Engineering/Surveying Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Metro Tech, South Bryant Campus	Fundamentals of Computer Aided Drafting and Design; Principles of CAD
Engineering Graphics & Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Metro Tech, South Bryant Campus	Fundamentals of Computer Aided Drafting and Design; Principles of CAD
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Metro Tech, South Bryant Campus	Fundamentals of Computer Aided Drafting and Design; Principles of CAD
Air Conditioning & Refrigeration Technology - AAS	ACR 1121 Introduction to Air Conditioning & Refrigeration Technology	Moore Norman Technology Center, Franklin Road Campus	Introduction to HVAC/R
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Moore Norman Technology Center, Franklin Road Campus	Framing; Interior Finish Out
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1233 Electrical Motors & Controls	Moore Norman Technology Center, Franklin Road Campus	Motors
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1013 Introduction to the Electrical Trades	Moore Norman Technology Center, Franklin Road Campus	Introduction to Electrical Construction; Tools

Program	Course	Technology Center Partner	Technology Center Course(s)
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1103 DC & AC Circuit Analysis	Moore Norman Technology Center, Franklin Road Campus	Alternating Current Theory; Electrical Theory
Construction Technology (Option: Electrical Construction) - AAS	ECNT 2473 Electrical Wiring Methods II-Commercial	Moore Norman Technology Center, Franklin Road Campus	Commercial Wiring Methods
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I-Residential	Moore Norman Technology Center, Franklin Road Campus	Residential Wiring
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Northeast Technology Center, Afton	Drywall Finishing; Drywall Installation; Installation of Interior Doors; Interior Doors & Trim; Windows, Doors, Floors, & Ceiling Trim; Basic Finishing Techniques
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Northeast Technology Center, Afton	Residential Wiring Methods
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Northeast Technology Center, Claremore	Residential Wiring Methods
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1103 DC & AC Circuit Analysis	Northeast Technology Center, Kansas	Alternating Current Circuits in Construction; Direct Current Circuits in Construction
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1233 Electrical Motors & Controls	Northeast Technology Center, Kansas	Motor Control Wiring in Construction; Motor Theory & Operation in Construction
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Northeast Technology Center, Kansas	Residential Wiring Methods
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Northeast Technology Center, Pryor	Residential Wiring Methods

Program	Course	Technology Center Partner	Technology Center Course(s)
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I - Residential	Northwest Technology Center, Alva	Electricians Assistant Construction Site Safety Orientation; Orientation to the Electrical Trade; Alternating Current
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Red River Technology Center, Duncan	Residential Carpentry Installation of Interior Doors; Metal Stud Framing; Drywall Installation; Drywall Finishing; Windows, Doors, Floors & Ceiling Trim; Fundamentals of Cabinetmaking; Cabinet Design/Planning & Estimating; Basic Cabinet Construction; Cabinet Installation; Interior Doors & Trim; Basic Finishing Techniques; Advanced Cabinet Construction
Civil Engineering/Surveying Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Red River Technology Center, Duncan	Computer-Aided Drafting "CADD"
Engineering Graphics & Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Red River Technology Center, Duncan	Computer-Aided Drafting "CADD"
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Red River Technology Center, Duncan	Computer-Aided Drafting "CADD"
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Red River Technology Center, Duncan	Computer-Aided Drafting "CADD"

Program	Course	Technology Center Partner	Technology Center Course(s)
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Southwest Technology Center, Altus	Finish Carpenter Fundamentals of Cabinetmaking; Basic Cabinet Construction; Introduction to Interior Doors & Trim; Cabinet Design/Planning & Estimating; Introduction to Cabinet Installation; Drywall Finishing; Drywall Installation; Windows, Doors, Floors & Ceiling Trim
Civil Engineering/Surveying Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Tulsa Technology Center, Broken Arrow	Fundamentals of Computer Aided Drafting & Design
Engineering Graphics & Design Drafting Technologies - AAS	ETDG 1143 Introduction to Design/Drafting	Tulsa Technology Center, Broken Arrow	Fundamentals of Computer Aided Drafting & Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Tulsa Technology Center, Broken Arrow	Fundamentals of Computer Aided Drafting & Design
Engineering Technologies (Option: Electrical/Electronics Technologies) - AAS	ETDG 1143 Introduction to Design/Drafting	Tulsa Technology Center, Broken Arrow	Fundamentals of Computer Aided Drafting & Design
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Tulsa Technology Center, Lemley Campus	Advanced Carpentry; Cabinetmaking
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1013 Introduction to the Electrical Trades	Tulsa Technology Center, Lemley Campus	Introduction to the Electrical Trades; Electrical Theory & Drawings
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I-Residential	Tulsa Technology Center, Lemley Campus	Introduction to the Electrical Trades; Electrical Theory & Drawings
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Tulsa Technology Center, Sand Springs	Advanced Carpentry; Cabinetmaking

Program	Course	Technology Center Partner	Technology Center Course(s)
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1013 Introduction to the Electrical Trades	Tulsa Technology Center, Sand Springs	Introduction to the Electrical Trades; Electrical Theory & Drawings
Construction Technology (Option: Electrical Construction) - AAS	ECNT 1253 Electrical Wiring Methods I-Residential	Tulsa Technology Center, Sand Springs	Introduction to the Electrical Trades; Electrical Theory & Drawings
Construction Technology (Option: Construction Management) - AAS	BLD 2513 Interior Finishes & Specialties	Western Technology Center, Burns Flat	Basic Finishing Techniques; Cabinet Installation; Drywall Finishing; Drywall Installation; Floor Systems; Installation of Interior Doors; Stairs; Suspended Ceilings; Wall and Ceiling Framing; Windows, Doors, Floors & Ceiling Trim
