

PRE-PROFESSIONAL STUDIES

ASSOCIATE IN SCIENCE (60 CREDIT HOURS)

OSUIT offers an Associate in Science in Pre-Professional Studies through which students may earn the first two years of a bachelor's degree in a variety of disciplines at this campus with the assurance that all courses will transfer to another Oklahoma college offering a bachelor's degree.

The OSUIT Pre-Professional Studies program is a significant first step in completing the first two years of a variety of four-year degrees. This degree also saves the student considerable time, travel, and money by allowing the student to remain closer to home for the first two years of study while fulfilling necessary degree requirements.

Rest assured that the Pre-Professional Studies degree has been carefully coordinated with other colleges to make the transfer of the 60 semester credit hours earned at this campus a seamless and straightforward process.

This program of study requires special program fees beyond OSUIT's current tuition and mandatory fees.

For more detailed information regarding OSUIT's Pre-Professional Studies program, please contact the School of Arts, Sciences & Health at 918-293-4895 or visit osuit.edu/preprofessional.
