

FORD ASSET

ASSOCIATE IN APPLIED SCIENCE (80 CREDIT HOURS)

The ASSET (Automotive Student Service Educational Training) program is an automotive service technician program sponsored by Ford Motor Company. The student spends the six-semester program alternating one half of the semester in study and practice on campus and the other half as an intern at a sponsoring Ford Motor Company dealership. This unique design allows each potential technician to immediately apply automotive service principles and techniques to real-world situations.

When completed, students earn an associate in applied science degree and become technicians for a Ford Motor Company dealership, usually at the same location as their internships.

New student enrollments are only accepted for the fall semester. Students must obtain an approved industry sponsor before enrolling in the program.

This program of study requires special program fees beyond OSUIT's current tuition and mandatory fees.

For more detailed information regarding OSUIT's Ford ASSET program, please contact a program advisor at 918-293-4710 or visit osuit.edu/ford.

PROGRAM REQUIREMENTS: 61 CREDIT HOURS

FORD ASSET CORE (41 CREDIT HOURS)

AUMF 1011 Career Cornerstone: Introduction to Automotive Service
 AUMF 1034 Ford Basic Electrical
