In accordance with federal regulations, an institution must allow a student the opportunity to restrict the use of their Title IV, HEA program funds to pay for only current semester qualified charges on their Bursar account or pay prior-year charges, not to exceed $200.

OSUIT policy mandates outstanding balances must be cleared prior to attending subsequent semesters and holds are placed on the student’s academic record, thereby preventing release of a transcript or diploma until the account has been paid.

Please accept or decline the following option:

I authorize Oklahoma State University Institute of Technology to use my student Title IV federal funds to pay noninstitutional charges (such as parking, bookstore, etc.).

☐ If you ACCEPT, you authorize OSUIT to pay non-institutional charges (such as parking, bookstore, etc.) with Title IV aid.

☐ If you DECLINE, Title IV federal/state funds only pay tuition, fees, room/board, and books for the current term only. It will be your responsibility to pay all other charges on the account. If the account is not paid by the due date, the Bursar’s Office will assess a finance charge.
