Introduction and Message from OSUIT Police Chief Matthew J. Wooliver

Thank you for taking the time to read this publication. This document contains helpful information about safety and security on our campus. The OSUIT Campus Police Department is a professional, full-service law enforcement agency with the responsibility to provide police services to all areas of our campus community. We are committed to serving and maintaining a partnership with the OSUIT and surrounding community to address safety concerns, reduce crime, and improve quality-of-life for all students, faculty, staff, and visitors.

This report is part of our ongoing efforts to be transparent public servants, while informing you of the safety programs and services available to the OSUIT community. This document also serves as the compliance method called for by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, as required by the Higher Education Opportunity Act. We take the commission of crimes against our students, faculty, staff, and visitors to heart, and will thoroughly investigate reported crimes. We also collaborate with other law enforcement agencies and campus groups to reduce crime on campus. This report is due by October 1st of each year.

We must work together as a community to ensure that people and property are secure, and that responsible, vigilant, and caring individuals are willing to report suspicious, and unlawful behavior immediately to campus police.

The OSUIT campus police department is available 24 hours a day, 7 days a week, 365 days a year. The officers of the OSUIT campus police department have a proactive mindset when it comes to community policing and are here to serve your needs around the clock. Thank you once again for taking the time to read this document. I hope you will find time spent on our campus enjoyable, and I encourage you to contact my office by email matt.wooliver@okstate.edu or by phone at 918-293-5000, with any questions or concerns.

Sincerely,

Matthew J. Wooliver
Director Public Safety/Chief of Police
Oklahoma State University – Institute of Technology

NOTICE OF AVAILABILITY OF ANNUAL SECURITY REPORT

The Federal Student Right-to-Know, Crime Awareness and Campus Security Act, now cited as the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act” and herein identified as the “Clery Report,” requires institutions of higher education to annually prepare and publish a report concerning campus crime statistics and security policies. The report is distributed through appropriate publications, mailings, or computer networks to all current students and employees, as well as to all prospective students and employees upon request. The report contains annual specific campus crime and arrest statistics and campus policies and practices intended to promote crime awareness, campus safety and security. This report is prepared by Chief Matthew Wooliver, the Director of Public Safety/Chief of Police of the OSUIT campus police department.

The information and statistics contained in this publication are being presented in compliance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Because the law is tied to participation in federal student financial aid programs it applies to most institutions of higher education, both public and private. It is enforced by the U.S. Department of Education. The “Clery Act” is named in memory of 19-year-old Lehigh University freshman Jeanne Ann Clery who was raped and murdered while asleep in her residence hall room on April 5, 1986.

The OSUIT police department publishes this information to inform members of the campus community and other interested parties of incidents of crime and to educate them in effective crime prevention and safety measures so that community members can make informed decisions relative to their safety. This document contains the Annual Security Report and the Fire Safety Report in the same document for the OSUIT main campus located in Okmulgee, Ok. The crime statistics reflect incidents that occurred on the OSUIT campus or on public property adjacent to the campus.

OSUIT provides 18 residential dormitories and facilities for on campus student housing. The OSUIT campus police dept. has primary responsibility for categorizing, disseminating, and publishing crime statistics collected on campus, and includes statistics obtained from various local law enforcement entities. These entities include the Okmulgee Police Department, as well as the Okmulgee County Sheriff's Office.

CAMPUS SECURITY AUTHORITIES

The U.S. Department of Education defines campus security authorities as:

- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings.

The following individuals are designated OSUIT campus security authorities:

Director of Public Safety
All Sworn Police Officers
All Communications Dispatchers
Dean of Students
Director of Student Life

CAMPUS POLICE DEPARTMENT

The OSUIT Campus Police Dept. office is in building 105 across from the Student Union and can be reached from anywhere on campus by calling 918-293-5000. For on campus emergencies, dial 911 or ext. 5000 from a land line University telephone or 911 from a cellular phone. If you call 911 from your cellular phone on-campus your call will go to the Okmulgee County 911 Center. The County 911 center will directly dispatch OSUIT Officers. Visit www.osuit.edu/safety/ to view emergency procedures. Campus safety is provided by the OSUIT Dept. of Public Safety which is over the office of campus police. OSUIT campus police has full-time CLEET certified police officers on duty 24 hours a day, seven days per week, and 365 days per year. The OSUIT police department is the only department at OSUIT that operates 24 hours per day 365 days of the year. 7 full-time and multiple part-time officers maintain a visible police presence, and patrol the campus roadways, walkways, parking areas, and buildings. OSUIT campus police officers provide a positive image to visitors and members of the campus community, whether it is providing directions, parking information, or just a friendly welcome. Our officers represent OSUIT as a group of caring and professional people, intent upon enhancing a friendly community atmosphere. Necessary enforcement includes using alternatives to arrest when reasonable. Specific elements of the campus police mission include accident investigation; crime prevention;

vehicle assists; personnel investigation; parking and traffic enforcement; emergency response; and disaster coordination with the OSUIT emergency management department. OSUIT campus police officers are armed commissioned law enforcement/police officers certified by the Council on Law Enforcement Education and Training (CLEET) with full powers of arrest.

WORKING RELATIONSHIP WITH OTHER LAW ENFORCEMENT AGENCIES

To provide the best service possible to our community the OSUIT campus police department has written mutual aid agreements with the Okmulgee Police Department and the Okmulgee County Sheriff's Office, allowing for cooperation in enforcement activities.

TIMELY WARNING POLICY

To help prevent crimes or serious incidents, the OSUIT Campus Police Dept., in conjunction with other departments on campus, issue timely warnings to notify OSUIT community members about crimes or other serious incidents in and around the community. If a situation arises that, in the judgment of OSUIT Administrators, Campus Police Leadership, constitutes an ongoing or continuing threat, a campus-wide warning will be issued. The warnings will be issued via the **Cowboy Alert System**. The Cowboy Alert system is an "opt-in" system that will send emails and text messages to all community members who have signed up for its services. This information will also be posted to the Universities website at <http://www.osuit.edu/>

The purpose of timely warnings is to provide the OSUIT community with more immediate notification. Anyone with information warranting a timely warning should report the circumstances immediately to Campus Police Dispatch at 911 or 918-293-5000.

DAILY CRIME LOG

A daily crime log is available for review during regular business hours at 1801 E. 4th St. Okmulgee, Ok 74447 in the Campus Police Building (Bldg. 105) across from the Student Union. The information in the crime log typically includes the case number, classification, date reported, date occurred, time occurred, general location, and disposition of each crime. It does not include the names of parties involved. Currently the daily crime log is not available on-line.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES STATEMENT

OSUIT has implemented a comprehensive Emergency Operations Plan (EOP) and Emergency Notification System that can alert and inform campus community members in the event of an imminent threat to health and safety (e.g., tornado, active shooter, hazardous material spill, etc.). Upon confirmation from a Campus Police officer or University official regarding a significant emergency or dangerous situation involving an immediate threat to the health and safety of campus community members, emergency notifications will be disseminated without delay to campus community members via text message (Cowboy Alert) and email alerts, web freeze, public address system (where applicable) and an external Public Address system (where applicable).

The Director of Public Safety, Director of Emergency Management along with the Public Information Officer (PIO) working in conjunction with other University officials will determine the content of the emergency notification, select the most appropriate method(s) for disseminating the information as quickly as possible, and initiate the notification system. The Director of Public Safety, campus police officers and authorized College personnel have responsibility for issuing notifications via the College's Emergency Notification System. The text message system OSUIT "Cowboy Alert" is a free service that students and staff can subscribe to in order to receive information directly to their text enabled mobile phone in the event of an emergency, severe weather, or campus closure. The external siren can produce audible warnings to the campus community in

the event of a weather emergency. When you hear the audible alert tone, you should immediately take shelter in a pre-designated area.

In other emergent situations you may be notified to seek shelter inside immediately, stay inside until further notice, or evacuate the campus immediately. Other emergency notification methods the University employs can include flyers posted at entryways, the University homepage (www.osuit.edu), digital displays, web freeze, patrol car announcements, electronic marquis, and broadcast television alerts. The OSUIT emergency notification system, along with other life-safety warning systems such as fire, weather, Cowboy Guardian, etc. are tested by OSUIT regularly throughout each trimester. Drills are conducted with staff and students alike to ensure familiarity and understanding of these safety practices. Stanley Teague the OSUIT Safety and Energy Management Director logs the dates, times, and results of all panic alarm, fire alarm, and voice dialer tests conducted on campus.

Emergency evacuation routes are conspicuously posted in/around each classroom on our campuses. Additionally, various procedures for responding to emergencies can also be found on the College's homepage by visiting www.osuit.edu/safety/emergency_preparedness. OSUIT officials will conduct annual tests and exercises of emergency response, alarm systems, and evacuation procedures in order to ensure an orderly response to incidents necessitating such measures and to continuously assess the readiness of our emergency response and recovery capabilities. Tests will be announced in advance via email, the Universities homepage, and other available methods.

NOTIFICATION TO UNIVERSITY COMMUNITY ABOUT AN IMMEDIATE THREAT

If the OSUIT Campus Police Dept. confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the OSUIT community, the OSUIT Police and/or Director of Marketing/Communications will utilize some or all of the systems described under the Timely Warning Policy (located on page 9) to communicate the threat to the OSUIT campus community or appropriate segment of the community if the threat is limited to a particular building or segment of the population. The OSUIT Campus

Police Department without delay – and taking into account the safety of the community- assists in the content of the notification and initiates the notification system unless issuing a notification will, in the judgment of the responsible authorities (including Police Chief, Dean of Students, Director Marketing/Communications, V.P. Fiscal Services, V.P. Student Services), compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

The OSUIT Crisis/EM Team in partnership with the OSUIT campus police department tests at least annually the preparedness and readiness of the campus community as it relates to lock down, shelter in place, and evacuation procedures.

MEDICAL EMERGENCIES

Steps to take in a medical emergency:

1. Do not move the patient unless his or her life is in danger.
2. Have someone stay with the patient until help arrives.
3. Call 911 or 918-293-5000. Tell them your name, your exact location and a brief description of the problem. Do not hang up until told to do so.
4. Meet emergency personnel to guide them to the patient.

OSUIT currently does not have a Campus Infirmary or health services on campus. OSUIT campus police officers are trained in first-aid, AED use, as well as CPR. OSUIT campus police officers are most often the first responders on scene at a medical call on the OSUIT campus. OSUIT campus police officers have access to medical equipment, as well as have an AED in each patrol vehicle. OSUIT does not have on site medical facilities and refers such cases to the local Okmulgee Muscogee Creek Nation Hospital.

CRIME PREVENTION

OSUIT Campus Police provides 24 hour-a-day police presence. As a regular part of their routine mobile and foot patrols, officers are alert for any deficiencies including broken door locks; inoperative lights; overgrown shrubs and trees; and broken sidewalks, steps, handrails, and other conditions which might detract from the safety and security of the campus environment. Anyone encountering a condition affecting campus safety and security should report it promptly to the OSUIT Campus Police Office or to Physical Plant Services.

PERSONAL SAFETY

The following precautions provide guidance.

General Precautions and Crime Prevention Tips:

1. Program the OSUIT Police Department's phone number (918-293-5000) into your cell phone. You can also call 911 and report any suspicious activity to the OSUIT Police Department immediately.
2. Never take personal safety for granted. Always be aware of your surroundings.
3. Try to avoid walking alone at night. Request an escort from the OSUIT Police Department by calling [918-293-5000] or walk with a group.
4. Limit your alcohol consumption and leave social functions that get too loud or too crowded, or that have too many people drinking excessively. Remember to call the OSUIT Police Department or the Okmulgee Police Department at 911 for help at the first sign of trouble.
5. Use lighted walkways and thoroughfares, even if it means going out of your way.
6. Carry only small amounts of cash and keep purses, backpacks and money belts close to the body, or always locked up.
7. Do not struggle if someone attempts to take your property. Let them take it and be a good witness obtaining a good description of the suspect(s).
8. Never leave valuables (wallets, purses, books, calculators, laptops, etc.) unattended, or in unlocked vehicles in plain view.
9. Always carry your keys and do not lend them to anyone.
10. Lock up bicycles and motorcycles. Lock doors and close windows when leaving your car.

11. Remember to lock the doors at your residence. Be certain that your door is locked at your residence when you go to sleep, and keep windows closed and locked when you are not at home.
12. Do not leave valuables in your car, especially if they can be easily seen.
13. Engrave serial numbers or owner's recognized numbers, such as a driver's license number, on items of value.
14. Inventory your personal property and insure it appropriately with personal insurance coverage or renters' insurance.

At home, in an apartment building, or in a residence hall:

1. Keep your room door locked when you are sleeping.
2. Never let unauthorized persons come into your room, enter residence halls, or enter apartment security doors. Always ask to see proper identification.
3. Never prop open inside or outside doors.
4. Do not hide keys outside your room or apartment. Do not put your name or address on your key rings.
5. Avoid working or studying alone in a campus building.
6. Never dress in front of a window. Close blinds or curtains after dark.
7. If you are awakened by an intruder inside your room, do not attempt to apprehend the intruder. Try to get an accurate description of the intruder and call the police.
8. Any suspicious activity should be reported to the OSUIT Police Department immediately.

When driving:

1. Park your vehicle in a well-lit and populated area.
2. Have your car keys in your hand when approaching your vehicle so you can enter quickly.
3. Scan the area before getting into your vehicle and always check underneath your car upon approach and in the rear seat for intruders before entering the automobile.
4. Lock your doors and keep windows rolled up whenever possible.
5. Drive on well-traveled and well-lit streets.
6. Never hitchhike, and never pick up hitchhikers.
7. If someone tries to enter your stopped vehicle, sound the horn and drive to a safe area such as a convenience store.
8. If your vehicle breaks down, ask any person who stops to help to call the police. Do not allow any person access to you or inside your car. Roll down your window no more than an inch. Be aware that an accident may be staged to provide the other driver with an opportunity to commit a criminal act.
9. Leave enough room between your car and the one ahead so you can drive around it if necessary.
10. Call ahead when driving to your home or apartment late at night and have someone watch you walk from your car to the residence.
11. Limit distractions such as cellphones.

While walking or jogging

1. Avoid walking or jogging alone and try not to walk or jog after dark.
2. Avoid dark or vacant areas. Walk along well-lit routes.
3. Be alert to your surroundings. If you suspect you are being

followed: Run in a different direction, go to the other side of the street and yell for help, or move quickly to a lighted area, a group of people, or an emergency phone.

ESCORT SERVICE

The OSUIT campus police department offers a 24 hour a day escort service to all students on the OSUIT campus.

NATURAL DISASTERS

The following information is a guideline to aid you in determining what action you should take in severe weather.

Tornado WATCH: Conditions are such that storms capable of producing a tornado may develop.

Tornado WARNING: Either a tornado has been sighted or it is highly probable that one will develop. A warning will be signaled by the storm warning sirens.

Tornado Precautions:

1. If you are in the warning area, seek shelter immediately.
2. If you are in a vehicle, get out and seek shelter in a sturdy building. If a building is not available, a depression such as a ditch or ravine offers some protection but be alert for flash floods.
3. Do not open windows. This can increase damage to the building. Stay away from windows and exterior doors.
4. Basements, interior hallways on the lower floors and small interior rooms on the lower floors offer the best shelter.
5. Do not attempt to turn utilities on or off.
6. Report injuries and damage to the OSUIT Police Department at

[918-293-5000]. After all clear, leave damaged buildings and do not attempt to return unless directed to do so by emergency personnel.

SEX OFFENDER REGISTRY

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a state concerning registered sex offenders may be obtained.

Oklahoma law (Title 57, Sections 583-584) requires anyone required to register as a sex offender do so with both their local law enforcement (municipal or county) agency at their residence and also with the police or security department of any institution of higher education at which they are enrolled as a student (full-time or part-time), are an employee (full-time or part-time) or reside (or intend to reside or stay) on any property owned or controlled by the institution of higher education.

Information on any sex offender who works for, attends, or lives on property owned by OSUIT can be found at the OSUIT campus police department, [Follow this link](#) to be taken to the State of Oklahoma Department of Corrections Sex Offender look-up webpage. The search feature allows you to search by County. OSUIT is in Okmulgee County, Oklahoma.

REPORTING PROCEDURES (GENERAL PROCEDURES FOR REPORTING A CRIME OR EMERGENCY)

CRIME REPORTING

Crime victims and witnesses to a crime, regardless of the crime, are encouraged to promptly report incidents to the OSUIT Police Department or other appropriate police agencies depending on the jurisdiction you are

located in. To report a crime on OSUIT property the victim, if he or she elects to, or witness needs only to call the police, and a police officer will meet them to gather information. An official report will be made with copies available to the victim after a completed investigation. Each month, the number of incidents in each category of crime are counted and reported to the Oklahoma State Bureau of Investigation, which in turn provides the information to the Federal Bureau of Investigation.

Each year, the FBI publishes a book of crime statistics, "Crime in the United States," which includes accurate accounting of the criminal incidents that occurred on the OSUIT campus.

To report a crime in progress, dial 911, or dial extension 5000 from an on-campus land line phone or call 918-293-5000 for non-emergency calls.

CONFIDENTIAL CRIME REPORTING

Confidential reporting of crimes is allowed at OSUIT. If, for a personal reason, a person does not wish to report an on-campus crime or suspected crime to the police, that person may anonymously report it by Crimes may also be reported online at www.osuit.edu/safety/reporting. Anonymous reporting can take place at the same webpage through the "SILENT WITNESS" reporting system link. All crimes made known to faculty and staff must (by law) be reported to campus police.

CRIMES DISCLOSED TO A PASTORAL OR MENTAL HEALTH COUNSELOR

To be exempt from disclosing reported offenses to appropriate OSUIT officials, a pastoral or mental health counselor must be acting in their role as a pastoral or professional counselor. This exemption does not relieve counselors of the duty to exercise reasonable care to protect a foreseeable victim from danger posed by the person being counseled. When speaking to a victim or witness to a crime, counselors are encouraged to inform the individual to report the crime to the police.

A pastoral counselor is a person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling and is functioning within the scope of that recognition as a pastoral counselor.

A mental health counselor is a person whose official responsibility includes providing mental health counseling to members of the institution's community and who is functioning within the scope of his or her license or certification. This definition also applies to professional counselors who are not employees of the institution but are under contract to provide counseling to the institution.

Note that the pastoral counselor or mental health counselor must report the crime to OSUIT police for purposes of including the incident in the annual crime statistics only. Personal information will not be conveyed when making this disclosure unless the victim consents to such disclosure.

CRIMES IN PROGRESS

To report a crime in progress, a person, victim or witness can dial 911 for emergencies or 918-293- 5000 for non-emergencies or call one of the local police agencies if off campus. Any reporting method will activate the response of police, fire, ambulance or other first responders. In addition, the victim of a serious crime can request support personnel, such as ministers, rape crisis, or domestic violence counselors, during or after reporting the incident.

Additionally, crime victims may be eligible for funds through victims' compensation laws administered by the local district attorney's office.

Prompt reporting of criminal activity to the police enables a quick response, a timely warning, and a safer campus environment for everyone.

If you are the victim of a crime or a witness to one, you should do the following:

1. **Call the police immediately:** Dial **911** for emergencies on campus or call the Okmulgee police department **911** if not on campus.
2. **Obtain a description:** Attempt to obtain a description of the offender(s), including gender, age, race, hair, clothing and distinguishing features. Also attempt to obtain a description and license number of any vehicle(s) involved. Note the direction of

travel of any offender(s) or vehicle(s) and report these to the police.

3. **Preserve the crime scene:** Do not touch any items involved in the incident. Close off the area of the incident, and do not allow anyone in the crime area until police arrive.

CRIME DISCLOSURE

OSUIT policies and procedures require the publication of annual crime statistics. This information is shared with current and perspective students and their families 6-8 times per year during “Cowboy Up” orientation.

Included in this report are crimes reported to the OSUIT Police Department and other campus officials, including University Counseling Services, Residential Life, and Student Conduct Services, and local law enforcement. Crime statistics are collected by: The OSUIT campus police department as well as reaching out to surrounding law enforcement agencies such as the Okmulgee police dept.

The tables on pages 27-30 (Campus Crime Report) comply with the Clery Act.

The crime and arrest statistics reported are those that occurred within the jurisdictional boundaries of campus. They do not include off-campus private housing, which are within the Okmulgee Police jurisdiction. Crimes occurring on public property immediately adjacent to campus are also reported when available. Crime statistics concerning other locations are available at the Okmulgee Police Department.

DEFINITION OF TERMS FOR STATISTICAL CHARTS

The charts setting forth statistical data on reported crimes include the following terms.

Campus: Any building or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in the direct support of, or related to, its educational purpose.

Clery Geography: Buildings and property that are part of the institution’s

campus; the institution's non-campus buildings and property; and public property within or immediately adjacent to and accessible from the campus.

CRIME DEFINITIONS

The following definitions are those used in the Uniform Crime Reporting System of the United States Department of Justice's Federal Bureau of Investigation.

OBTAINING REPORTS

To request a copy of a report or ask other related questions, contact the OSUIT Police Department at 918-293-5000.

Requests for incident reports or traffic crash reports by people involved generally will be processed when the investigation is completed. OSUIT faculty, staff, and students are not charged for obtaining report copies when directly involved in the reported incident.

The OSUIT Police Department is committed to complying with its obligations under the Freedom of Information Act (F.O.I.A.) without undue delay but realizes that under certain circumstances the release of records may have an impact on victims, witnesses and the integrity of investigations. If an investigation is ongoing and still open, a request for any related OSUIT Police Department report may be denied and information of a personal nature will be withheld or redacted where the public disclosure of such information would constitute an invasion of privacy. The OSU Office of Legal Council may also be notified.

OFF-CAMPUS CRIME

If the OSUIT Police Department is contacted about criminal activity occurring off-campus (occurring in another jurisdiction) involving a member of the OSUIT community, the Okmulgee Police Department (or dept. of jurisdiction) may notify the OSUIT Police Department. However, there is no official policy requiring such notification. Individuals in these cases may be subject to arrest by Okmulgee Police Department and subject to OSUIT hearing proceedings through the OSUIT Office of Student Conduct.

ACCESS TO CAMPUS FACILITIES

The OSUIT campus is primarily open to the public.

For security purposes, certain campus buildings are secured when classes and activities have finished each day. Facilities are kept secured during periods when University sanctioned functions are not being conducted. All persons required to be on campus when facilities are closed are requested to contact Campus Police at **918-293-5000**. University facilities are generally open from 7:00am-10:00pm, Monday through Friday, and from 7:00am-10:00pm on weekends, unless otherwise specified by university officials. Persons requesting access to university facilities after hours, weekends, and holidays will be required to show an OSUIT campus police officer an appropriate picture identification and state the reason for being on campus. On a need basis, and with proper authorization, students, faculty and staff may be provided with access codes to those facilities which are operated with electronic.

access controls. If a student needs to be in a building on campus after hours, it is to be in the company of a faculty/staff member or provided written permission from an appropriate University official. The Dormitories at OSUIT are always locked and require key access. Some housing facilities on campus have direct external doors and some facilities have a lobby or inside area where the dormitory front door is in a hallway etc.

There are security cameras at most dormitory facilities on the OSUIT campus. Recent renovations to the Miller-Kamm dormitory have increased security by requiring residents to have their campus I.D. to swipe the card reader to gain access to the building. This is the same process for entry at the G.O.P.O. dorms in downtown Okmulgee. There are external card readers on the Lackey Hall dormitory as well as the campus laundry facility.

MAINTENANCE OF CAMPUS FACILITIES

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. OSUIT Police officers regularly patrol and report malfunctioning lights and other unsafe physical conditions to Physical Plant for correction. Other members of the OSUIT community are helpful when they report equipment problems to the OSUIT Police Department or Physical Plant at 918-293-5000.

ALCOHOL AND DRUG POLICIES

OSUIT seeks to encourage and sustain an academic environment that respects individual freedoms and promotes the health, safety and welfare of its students, faculty, staff and visitors. These participants are expected to know and follow the applicable laws and all OSUIT rules and regulations. Each person is responsible for his/her own behavior. The OSUIT campus police enforces compliance with state law and alcoholic beverage laws on campus and at university-sponsored activities. The OSUIT alcohol and drug policies can be found in the OSUIT Student Handbook on the OSUIT website.

Drug Free Campus Report

Victim Information

If you are a victim of sexual violence, you are not alone and you are in no way responsible for your assault.

Definition of Consent

Effective Consent is:

- informed.
- freely and actively given.
- mutually understandable words or actions; and
- indicates a willingness to participate in mutually agreed upon sexual activity.

What to do if you are a Victim of Sexual Violence

- a. If you are not safe and need immediate help, call the police. If the incident happened on campus, call the OSUIT Police Department at 911. If the incident occurred elsewhere than on campus in Okmulgee, call the Okmulgee Police Department by dialing 911 or 918-756-3511. If the incident happened anywhere else, call the law enforcement agency that has jurisdiction in the location where the assault occurred.
- b. Do what you need to do to feel safe. Go to a safe place or contact someone with whom you are comfortable. You can call the RAPE CRISIS LINE at 1-800-522-SAFE (7233). To get advice and discuss options for how to proceed.
- c. Do not shower, bathe, douche, change or destroy clothes, eat, drink, smoke, chew gum, take any medications or straighten the room or place of the incident. Preserving evidence is critical for criminal prosecution. Although you may not want to prosecute immediately after the incident, that choice will not be available without credible evidence. The evidence collected can also be useful in the campus conduct process.
- d. Go to the nearest hospital or Creek Nation Hospital (If located in Okmulgee) to receive care for any physical injuries that may have occurred. While in the emergency room, treatment will be provided for sexually transmitted diseases and to prevent pregnancy. The Creek Nation Hospital in Okmulgee does have a SANE (Sexual Assault Nurse Examiner) nurse available. There are also SANE nurse services in Tulsa at Hillcrest Medical Center.
- e. If you call the Creek Nation Hospital (918-756-4233) a sexual assault nurse examiner (SANE), a police officer and a rape volunteer advocate will be sent to the exam site.
- f. Upon arrival at Creek Nation Hospital, you will be taken to a private exam area. The nurse, advocate and police officer will be directed to this same location. You will be examined to treat any injuries and to gather evidence.

- g. The rape advocate will support you throughout the entire exam, which will be performed by the nurse. The advocate will provide a packet of written materials that contains information about common reactions to rape, follow-up medical needs and support services.

On and Off Campus Resources

Sexual violence can be very emotionally disruptive, and it takes time to come to terms with such a major stress. In addition to support that may be found in family and friends, the following agencies and departments can serve as resources for you.

It is important to be aware that different individuals who you may contact for assistance following an incident may have different responsibilities regarding confidentiality, depending on their position. Under state law, some individuals can assure the victim of confidentiality, including counselors and certified victims' advocates. In general, however, any other institution's employee cannot guarantee complete confidentiality, unless specifically provided by law. As is the case with all colleges and universities, OSUIT must balance the needs of the individual victim with an obligation to protect the safety and well-being of the community at large.

Victim Advocate - Confidential Reporting Option

The Victim Advocate can confidentially provide students with information about on and off campus resources available to victims.

Interim Measures

Student Conduct and the Title IX Coordinator can put in place interim measures for student victims of sexual violence as needed. A formal complaint does not need to be submitted to have interim measures put in place. OSUIT will maintain as confidential any interim measures provided if it does not impair the ability to provide the interim measures.

- a. **Assistance in Reporting:** Student Conduct can assist you in filing a complaint with the institution conduct process and the appropriate law enforcement agencies against the student(s) who caused harm.
- b. **No Contact Order:** Student Conduct can put in place a No Contact Order between the complainant and the respondent, which would prohibit contact between both parties through any means of communication, as well as not having others make contact on their behalf.
- c. **Emergency Protective Order:** Student Conduct can assist you in filing an Emergency Protective Order in court with SAFE HARBOR Victim Advocate (918-938-0782). This is a court-ordered petition that prohibits contact between the complainant and respondent.
- d. **Safety Measures:** Student Conduct can coordinate any reasonable arrangements that are necessary for your ongoing safety. This includes transportation arrangements or providing an escort.
- e. **Living Arrangements:** Student Conduct can assist in changing your on-campus living arrangements or that of the accused to ensure

safety and a comfortable living situation.

- f. **Academic Arrangements:** Student Conduct can assist in adjusting your academic schedule or that of the accused as well as assist in providing access to academic support services.

- g. **Other Interim Measures:** Student Conduct can coordinate any reasonable arrangements to address the effects of sexual violence on you, including connecting you with counseling, health care or academic support resources.

When Student Conduct becomes aware of a student who potentially could have been a victim of sexual violence, they will contact the victim in writing through OSUIT email to share these interim measures, reporting options and other resources available. This will be done no matter the location of the incident.

Reporting

All forms of sexual violence should be reported, no matter the severity. OSUIT's primary concern is safety; therefore, individuals should not be deterred in reporting even if the use of alcohol or other drugs was involved.

OSUIT encourages victims of sexual violence to talk to someone about what happened so they can receive support and so that the institution can respond appropriately. OSUIT offers both confidential reporting and non-confidential reporting options. It is important to be aware that different individuals who victims can contact for assistance following an incident may have different responsibilities regarding confidentiality, depending on their position. Under state law, some individuals can assure a victim of confidentiality, including counselors and certified victims' advocates. In general, however, any other institution's employee cannot guarantee complete confidentiality, unless specifically provided by law. As is the case with all colleges and universities, the institution must balance the needs of the individual victim with an obligation to protect the safety and well-being of the community at large.

Different employees on campus have different abilities to maintain a victim's request for confidentiality. Some are required to maintain near

complete confidentiality; talking to them is sometimes called a “privileged communication.”

- Other employees may talk to a victim in confidence, and generally report only that an incident occurred without revealing any personally identifying information. Disclosures to these employees will not trigger an institution investigation into an incident against the victim’s wishes. This report is done through a Clery Report and does not include the victim’s name or other identifying information.
- Thirdly, some employees are required to report all the details of an incident (including the identities of both the victim and alleged perpetrator) to the Title IX Coordinator.

A. Confidential Reporting Options

Confidential reporting options provide students with the ability to confidentially report and discuss an instance of sexual violence without their information being shared with others. Please note confidential reporting limits the institution’s ability to respond to incidents.

Professional Counselors

Professional and licensed counselors who provide mental health counseling (including those who act in that role under the supervision of a licensed counselor) are not required to report any information about an incident to the Title IX coordinator without a victim’s permission. These individuals are also not required by the Clery Act to report.

This would include counselors who work in University Counseling Services on campus.

Victim Advocate

OSUIT treats the Victim Advocate as a confidential reporting option. Victims can visit with the Victim Advocate to learn about resources available on campus. The Victim Advocate is not required to report any information about an incident to the Title IX Coordinator without a victim’s permission. However, the Victim Advocate will report incidents to OSUIT Police Department for the purpose of the Clery Act. Additionally, the Victim

Advocate will report quarterly to the Board of Regents on trends of incidents.

University Health Providers

University Health Services providers are confidential reporting options. They are not required to report any information about an incident to the Title IX Coordinator without a victim's permission. However, they will report incidents without any identifiable information to OSUIT Police for the purposes of the Clery Act.

While these professional counselors, non-professional counselors (those who act under the supervision of a licensed counselor), advocate, and health providers may maintain a victim's confidentiality, they may have reporting or other obligations under state law, such as mandatory reporting to law enforcement in the case of minors, imminent harm to self or others, or requirement to testify if subpoenaed in a criminal case.

If OSUIT determines that the alleged individual(s) pose a serious and immediate threat to the campus, OSUIT may issue a timely warning to the community. Any such warning will not include any information that identifies the victim.

B. Non-Confidential Reporting Options

The Board of Regents for the Oklahoma Agricultural and Mechanical Colleges and the Clery Act require all other employees (excluding counselors and Victim Advocate) who become aware of an instance of sexual violence to report the instance to OSUIT Police. The victim's name should not be reported to the police without the victim's permission. The report should include the nature, date, time, and general location of an incident. This is a limited report which includes no information that would directly or indirectly identify the victim. This allows for the institution to track patterns, evaluate the program, and develop appropriate campus-wide responses.

When an instance of sexual violence is reported to a "responsible employee" the reporter can expect the incident to be reported to the Title IX Coordinator or Student Conduct Office. A responsible employee must

report to the Title IX Coordinator or Student Conduct Office all relevant details about the alleged sexual harassment or sexual violence shared by the victim including names, date, time and specific location of the alleged incident.

To the extent possible, information reported to the responsible employee will be shared only with the people responsible for handling the institution's response to the report. A responsible employee should not share information about the victim to law enforcement.

A "responsible employee" is an employee who has the authority to redress sexual violence, who has the duty to report incidents of sexual violence or other student misconduct, or who a student could reasonably believe has this authority or duty. Examples include but are not limited to faculty members, advisors, employees in student services offices and anyone in a supervisory role.

When a victim tells a responsible employee about an incident of sexual violence, the victim has the right to expect the institution will investigate the alleged sexual violence, end any sexual violence, prevent the sexual violence from reoccurring, and educate on sexual violence.

Before a victim reveals any information to a responsible employee, the employee should ensure that the victim understands the employee's reporting obligations and if the victim wants to maintain confidentiality, then the student should be directed to a confidential resource.

Requests for Confidentiality from a Non-Confidential Reporter

If a victim discloses an incident to a responsible employee but wishes to maintain confidentiality or requests that no investigation into a particular incident be conducted or conduct action taken, OSUIT must weigh that request against the obligation to provide a safe environment for all students, including the victim.

If the institution honors the request for confidentiality, a victim must understand that the institution's ability to meaningfully investigate and respond to the incident may be limited.

Although rare, there are times when the University may not be able to honor a victim's request in order to provide a safe environment for all students.

When weighing a victim's request for confidentiality or that no investigation or conduct process be pursued, the following will be considered:

- The increased risk that the alleged respondent will commit additional acts of sexual or other violence, such as:
 - whether there have been other sexual violence complaints about the same alleged respondent.
 - whether the alleged respondent has a history of arrests or records from a prior school indicating a history of violence.
 - whether the alleged respondent threatened further sexual violence or other violence against the victim or others.
 - whether the sexual violence was committed by multiple respondents.
 - whether the sexual violence was perpetrated with a weapon.
 - whether the victim is a minor.
 - whether the institution possesses other means to obtain relevant information of sexual violence (e.g., security cameras or personnel, physical evidence).
 - whether the victim's report reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

The presence of one or more of these factors could lead the institution to investigate and, if appropriate, pursue conduct action. If none of these factors is present, the institution will likely respect the victim's request for confidentiality.

If it is determined that the institution cannot maintain a victim's confidentiality, the institution will inform the victim prior to starting an investigation. OSUIT will remain ever mindful of the victim's well-being and will take ongoing steps to protect the victim from retaliation or harm and work with the victim to create a safety plan. The institution may not require a victim to participate in any investigation or conduct process. Retaliation against the victim, whether by students or institution employees, will not be tolerated.

Reporting to the Police

OSUIT strongly encourages individuals to report sexual violence and any other criminal offenses to the police. This does not commit you to prosecute but will allow the gathering of information and evidence. The information and evidence preserve future options regarding criminal prosecution, institution conduct actions and/or civil actions against the perpetrator.

If the incident happened on campus, it can be reported to the OSUIT Police Department or by phone at 911 or the non-emergency line 918-293-5000. If the incident occurred elsewhere in Okmulgee, it can be reported to the Okmulgee Police Department at 114 E. 7th St. in Okmulgee, OK or at 911/918-756-3511. If the incident happened anywhere else, it can be reported to the local law enforcement with jurisdiction in the location where the assault occurred.

Please know that the information you report can be helpful in supporting other reports and preventing further incidents.

Report to Student Conduct

Anyone can report any instances of sexual violence to Student Conduct at Bldg. 105 on the OSUIT campus or at 918-293-4928. A complaint should be filed as soon as possible, preferably within 180 calendar days of the incident. A complaint can be filed online at <http://go.osuit.edu/safety/reporting>

If either the victim or the accused is a student, the incident will be addressed through the Student Conduct process once a complaint is filed.

Additionally, as stated above, OSUIT strongly encourages individuals to report any instance of sexual violence to the police.

MISSING STUDENT NOTIFICATION

In accordance with Section 485 of the Higher Education Act, 20 U.S.C. § 1092(j), OSUIT has developed this investigation and notification policy regarding students who reside in campus housing and have been reported as missing.

Any report to a University official or campus security authority (CSA) indicating that a student who resides in on-campus housing is missing shall be referred immediately to the Oklahoma State University-Institute of Technology Campus Police Department, and an investigation shall be conducted. If the initial investigation determines that the student is missing, the following persons shall be notified: Dean of Students, Director of Housing/Residential Life, Presidents Office, The Student's custodial parent(s) or legal guardian(s), if the student is under 18 and not an emancipated minor. Local law enforcement authorities will be contacted as well.

IMPORTANT: Students are encouraged to share pertinent information with family and friends when leaving campus or taking trips. Sharing this information will enable University staff, as well as family and friends, to contact you if the need arises. In addition, students are encouraged to periodically update their emergency contact information in O-Key.

ANNUAL FIRE SAFETY REPORT

Institutions are required to keep a fire log that states the nature of the fire, date, time, and general location of each fire in on-campus student housing facilities. Oklahoma State University complies with this rule by including all fire-related incidents in the Annual Fire Safety Report and Fire Log maintained by OSUIT Safety and Energy Management Director Mr. Stan Teague at 918-293-4873. In the calendar year 2023 there were no fires reported in any of the residence halls on the OSUIT campus.

The Annual Housing Fire Safety Report is required by the Higher Education Opportunity Act (HEOA) for any Title IV institution that maintains an on-campus student housing facility. Per HEOA, an institution that maintains an on-campus student housing facility must collect fire statistics, publish an Annual Fire Safety Report, and keep a fire log.

The Clery Act was amended by HEOA in 2008, requiring future reports to begin including campus housing fire safety statistics as well.

NOTE: There were no fires reported in housing for 2023.

Steps to Follow If You See a Fire:

- 1) Activate the nearest fire alarm.
- 2) If on campus, call 911 or you can call the OSUIT Police at 918-293-5000. If off campus, call the Okmulgee Fire Department at 911. Give your name, address, location, and the extent of the fire.
- 3) Calmly alert people in the building and evacuate the building by following EXIT signs.

Steps to Follow If You Are Caught in A Fire:

- 1) Remain calm.
- 2) Before opening a door, feel it with the back of your hand. If it is **hot**:
 - A) Do not open the door.
 - B) Open the windows. If possible, lower the top half of the window to let out heat and smoke and raise the lower half to let in fresh air.
 - C) Seal crack around door with towels, linens or clothes. Soak these items in water if possible.
 - D) To attract attention, hang objects out the window. Shout for help.
 - E) Keep low to the floor. Take short breaths to avoid inhaling smoke. Place a wet towel over your nose and mouth. Keep your head six (6) to eight (8) inches off the floor.
- 3) If the door is **not hot**, brace yourself against the door and open it slowly. If hot air or fire rushes in, close the door and refer to Step 2A.
- 4) If you can leave, close all doors behind you and proceed to the nearest safe exit. Leave the building and stand clear of the fire. Provide directions to police and fire personnel when they arrive.

Steps to Follow for Fire Prevention:

- 1) Know every regular and emergency exit. Know how to activate the alarm system and what it sounds like. Know the location of fire extinguishers and how to operate them.
 - 2) Arrange the contents of your room with fire safety in mind. Maintain clear and unobstructed access to your room door, from both inside and outside.
 - 3) Do not overload electrical outlets. Do not use broken, frayed, or cracked electrical cords. Do not suspend lamps or lights with their own cords.
 - 4) If you smoke, exercise care when smoking and do not smoke in bed. OSUIT is a tobacco free campus.
 - 5) Do not allow excess clutter of flammable materials.
- For further information, contact Mr. Stan Teague at 918-293-4873.

Fire Reporting:

Per federal law, Oklahoma State University is required to annually disclose statistical data on all fires that occur in on-campus housing facilities. Even if a fire is limited in nature and has already been extinguished, please call the OSUIT police at 918-293-5000 and provide the dispatcher with as much pertinent information as possible.
